## Amendment 002

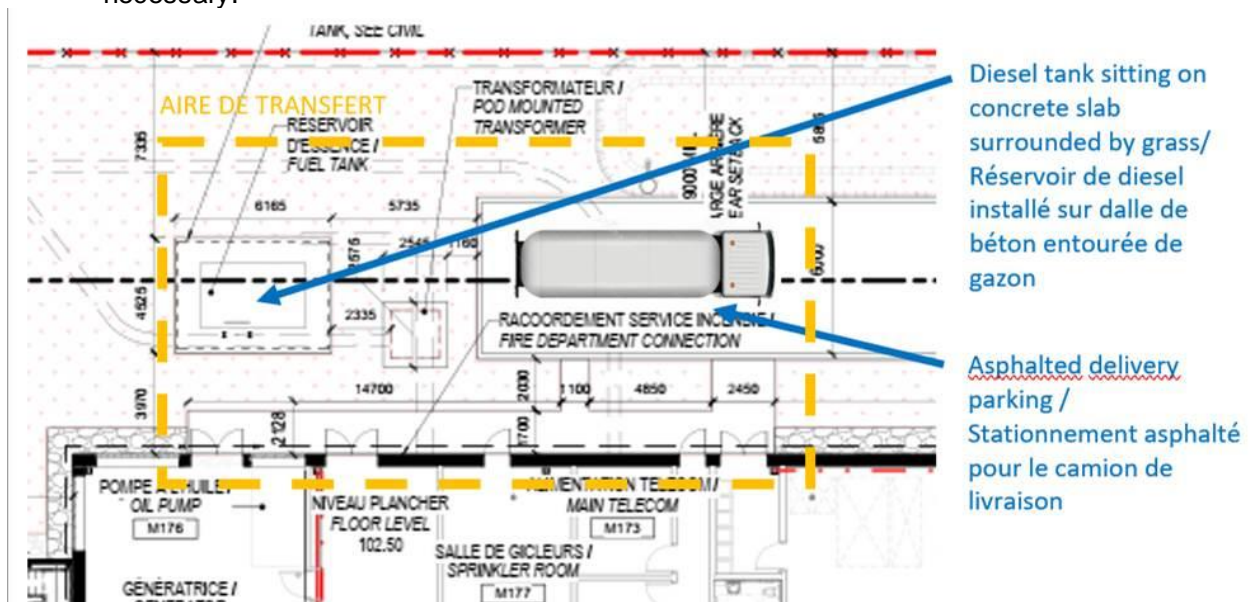

This amendment is raised to:

- A. Respond to bidder questions.

### A. Questions and Answers

**Q1.** Will the area around the diesel tank be asphalted?

**A1.** No, the area surrounding of the diesel tank will be grassed. It is only expected to clear a pathway using hand shovelling or a snow blower per the SoW to allow the tank to be filled when necessary.

**Q2.** On the map, 2 sidewalks are indicated leading to the main entrance, but in reality, there is only one. Also, there is a zone in front of the yellow facade that is currently planted. Will the landscaping stay that way or will there be an additional sidewalk closer to the building?

**A2.** There has been a modification during construction. Update landscaping drawing is attached.

**ALL OTHER TERMS & CONDITIONS REMAIN UNCHANGED.**
