

Mandatory Technical Evaluation Criteria

Evaluation Methodology – The evaluation will be conducted by Representatives of Canada and will consider only the criteria provided. Mandatory requirements are identified by the word "must." All mandatory criteria must be met or the offer submission will be deemed non-compliant. Failure to provide sufficient detail in the offer submission to evaluate the proposal against the mandatory criteria will also deem the offer non-compliant.

Mandatory Technical Evaluation Criteria

	Mandatory Criterion	Met	Did not Meet	Reference in Bid	Evaluator Notes
M1	<p>Minimum Qualification: <u>Location</u>: The Bidder must have a Representative located within local travel distance (i.e. sixty (60) kilometers or less) of the location of work.</p> <p>Bidders must provide information to identify their local Representative's business location(s).</p>
