SA Holders may not submit a bid in response to this bid solicitation unless they have been invited to do so. However, should an uninvited SA Holder wish to be invited, it may contact the Contracting Authority to request an invitation at any time prior to five business days before the published bid closing date, and an invitation will be made to that SA Holder unless it would not be consistent with the efficient operation of the procurement system. In no circumstance will such an invitation require Canada to extend a bid closing date.

Description of Work:

Conduct a pilot research project (“pilot project”) to test various approaches to systematically identify internal trade (IT) barriers in the trucking sector and develop policy solutions and recommendations for the top IT barriers. This work will inform the development of a general framework for barrier identification, which can be applied to other economic sectors.

Security Requirement:

Minimum Corporate Security Required:	RELIABILITY
Minimum Resource Security Required:	RELIABILITY

Contract Authority
