

QUESTIONS AND ANSWERS FOR THE RFP #1000251832

Q & A #	QUESTIONS AND ANSWERS
Q 3	Each resource will be evaluated separately, as individual bid. Bidders can submit a single resource. As such, please confirm that bidder's can propose the same resource across multiple consultant categories.
A 3	No. Bidders cannot propose the same resource across multiple consultant categories. We are looking for four resources for the project.
Q 4	<p>Further to the above Question, should a bidder submit a single resource in response to this solicitation, please clarify how bidder's can achieve the minimum pass mark required for the Point Rated Technical Criteria. The total points of 100 points are being awarded based on three (3) consultant categories with the point scale of RT5 being awarded 5 points per resource.</p> <p>If a bidder proposes one resource, for example the Senior Level Facilitator role, the maximum possible score a bidder could receive is 45 points/100 points, which is well below the minimum pass mark leading to bidder's who submit only one resource being non-compliant.</p> <p>Will the client be issuing a revision to the grids, to break the Point Rated Technical Criteria into unique grids, clearly identifying the maximum and minimum scoring per resource category?</p>
A 4	We will not be issuing a revision to the grids. Please see our answer to Q3.
Q 5	Please confirm that the client will accept an Intermediate Level resource in response to Category 3.2 Project Manager Consultant so long as they meet all of the Mandatory and Point Rated Technical Criteria for this category.
A 5	No, it must be a Senior Level resource.
Q 6	Evaluation Procedures, according to the evaluation results, three (3) contracts will be issued. Can the client please confirm the maximum number of contracts being awarded given that the client is accepting individual bids for four (4) consultant categories.
A 6	It is confirmed that one (1) Resulting contract will be issued
