

QUESTIONS AND ANSWERS FOR THE RFP #1000251832

Q & A #	QUESTIONS AND ANSWERS
Q 7	<p>The answers provided from the client as part of Q&A 3-6 released on November 7th contained critically important information and were required to accurately source, qualify, grid, QA, and propose high-quality candidates in relation to this request.</p> <p>Based on the answers in Q&A 3-6, bidder's are required to submit four (4) resources in order to score above the minimum pass mark even though the RFP states bidders can submit only one (1) resource. In order for bidders to have time to source all four (4) resources, can the client please extend the closing date by ten (10) business days.</p> <p>In doing so, more vendors will be able to take part in this procurement process increasing the value to the client by way of more compliant proposals, higher competition and overall better rates.</p>
A 7	<p>The RFP states that bidders can submit a single resource for each category, not overall. We have already extended the RFP posting period by ten days and will not be extending further at this point.</p>
