

This declaration is regarding the attached specification for the:

Project Name: Southwest Bastion Lead Paint Removal and Industrial Hygienist.

Site: Lower Fort Garry

Issued for Tender

Date: _____

Please note:

This Work Site will have two contractors working onsite. An Industrial Hygienist contractor hired by Parks Canada to conduct air quality and surface testing regularly before, during, and after the lead paint removal and a Lead Paint Removal contractor. As a result, the Lead Paint Removal Contractor shall be the **prime contractor** responsible for the safety of other contractors or persons accessing or traveling through the site to get to other worksites within the various buildings onsite. Anyone accessing the site, shall receive the full safety orientation and follow the lead paint removal contractor's safety program, plan, and procedures. This could include, but is not limited to wearing personal protective equipment, attending safety meetings and training by the Lead Paint Removal Contractor, following the site safety program, plans and procedures.

Please consult: *Health and Safety Section 10* of the statement of work *Southwest Bastion Lead Paint Removal* and *Health and Safety Section 8* in *Industrial Hygienist Statement of Work* for further information.

Declaration

I, _____, declare that I have read,

(insert your full name)

understand, and agree to the Health and Safety requirements laid out in Sections 8 and 10 as referenced above, and the designation of the contractor for Canada as Prime Contractor for construction site Health and Safety during the lead paint abatement project at Lower Fort Garry and agree to follow all Health and Safety rules and requirements as laid out by the Lead Paint Removal Contractor.
