Amendment 001

This amendment 001 is raised to:

- a) Answer questions;
- b) Modify the bid closing date;

.....

a) Questions and Answers

Q1: The RFP requires the proponent’s team to have at least one “Project Engineer resource”. Would ECCC please clarify whether a Canadian engineering license (P.Eng., P.L.Eng., etc.) is required for such resource? Or this resource can be a professional that does not hold a Canadian engineering license but has sufficient engineering experiences relevant to the proposed work.

A1: The Project Engineer must meet the academic requirement of having a university degree in engineering. Canadian engineering license (P.Eng.) is not mandatory.

b) Modify the Bid Closing date on page 1
