1. Questions and Answers

Question (Q) 1: I noticed that in the RFP it doesn't mention the dimension of the area in square footage or square meters, nor the appendices' satellite image of the different locations. I am also wondering what the park names for this RFP are. I would also have a detailed Annex A for the statement of work in terms of what is expected.

Answer (A) 1: Square foot or square meter measurements for the specific landscaped areas are not available, but Granville Island is a 37.6-acre site. If the proponent needs measurements of the landscaped areas, it will be their responsibility to do that after the site visit. A detailed Statement of Work can be found in Appendix C RFP Specifications.
