### **Description of Work:**

The Digital Transformation Branch (DTB) delivers core Information Management (IM) and Information Technology (IT) services to the Public Health Agency of Canada (PHAC) and Health Canada (HC) Branches, and to support the digital modernization and transformation of health programs and services to Canadians. The Cloud Services division of the Digital Transformation Branch (DTB) requires professionals with the expertise in the areas Technology Architects (Cloud), Programmer/Analysts (Cloud), Platform Analysts (Cloud), Operations Support Specialists (Cloud) and Technical Architects (Cloud Security). Accessing professional IM and IT services via Task Authorisations (TAs) will result in a more timely approach to building much-needed expertise on the Azure, Amazon Web Services (AWS) and Google Cloud Platform (GCP) teams.

- Bidders must submit a bid for all resource categories
- The work is currently not being performed by a contracted resource
