#### SI01 BID DOCUMENTS

- 1. The following are the bid documents:
  - a. Invitation to Tender Page 1;
  - b. Special Instructions to Bidders:
  - c. General Instructions Construction Services Bid Security Requirements, R2710T (2022-12-01)
  - d. Clauses & Conditions identified in "Contract Documents";
  - e. Drawings and Specifications:
  - f. Bid and Acceptance Form and related Appendix(s); and
  - g. Any amendment issued prior to solicitation closing.

Submission of a bid constitutes acknowledgement that the Bidder has read and agrees to be bound by these documents.

General Instructions – Construction Services – Bid Security Requirements R2710T is incorporated by reference and
is set out in the Standard Acquisition Clauses and Conditions (SACC) Manual, issued by Public Works and
Government Services Canada (PWGSC). The SACC Manual is available on the PWGSC Web site:
https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual/5/R

#### SI02 ENQUIRIES DURING THE SOLICITATION PERIOD

- Enquiries regarding this bid must be submitted in writing to the Contracting Authority at the email address on the Invitation to Tender - Page 1 as early as possible within the solicitation period. Except for the approval of alternative materials as described in GI15 of R2710T, enquiries should be received no later than five (5) business days prior to the date set for solicitation closing to allow sufficient time to provide a response. Enquiries received after that time may not result in an answer being provided.
- 2. To ensure consistency and quality of the information provided to Bidders, the Contracting Authority will examine the content of the enquiry and will decide whether or not to issue an amendment.
- 3. All enquiries and other communications related to this bid sent throughout the solicitation period must be directed ONLY to the Contracting Authority named on the Invitation to Tender Page 1. Failure to comply with this requirement may result in the bid being declared non-responsive.

# SI03MANDATORY SITE VISIT

#### A9040T (2022-06-20) - Mandatory site visit

It is mandatory that the Bidder or a representative of the Bidder visit the work site. Arrangements have been made for the site visit to be held at Joyceville Institution on January 11<sup>th</sup>, 2023. The site visit will begin at 10:00 EST, at the main entrance to Joyceville Institution.

Bidders must communicate with the Contracting Authority no later than January 9<sup>th</sup>, 2023at 10:00 EST to confirm attendance and provide the name(s) of the person(s) who will attend. Bidders will be required to sign an attendance sheet. Bidders should confirm in their bid that they have attended the site visit. Bidders who do not attend the mandatory site visit, do not send a representative, or do not sign the attendance sheet will not be given an alternative appointment and their bid will be declared non-responsive. Any clarifications or changes to the bid solicitation resulting from the site visit will be included as an amendment to the bid solicitation.

Safety attire: in order to be guaranteed access to the site visit all persons should have the proper personal protection equipment (including, but not limited to safety glasses, footwear, vests and hard hats). Bidder's personnel and individuals who do not have the proper safety attire may be denied access to the site.

# SI04REVISION OF BID

Section GI10 Revision of bid of General Instructions – Construction Services – Bid Security Requirements R2710T is amended as follows:

Delete: Section GI10 Revision of bid in its entirety.

Insert: GI10 Revision of bid:

- 1. Bidders may revise a bid submitted in accordance with these instructions by email provided the revision is received at the CSC bid submission email address, on or before the date and time set for the closing of the solicitation. The email must be sent from the Bidder's email address, bear a signature that identifies the Bidder, and include the following in the subject field.
  - a. Solicitation Number:
  - b. Name of Bidder: and
  - c. Invitation to Tender Closing Date and Time.
- 2. Bidders submitting a revision to a bid that includes unit prices must clearly identify the change(s) in the unit price(s) and the specific item(s) to which each change applies.
- 3. Bidders submitting an email to confirm an earlier revision must clearly identify this email as a confirmation.
- 4. Failure to comply with any of the above provisions will result in the rejection of the non-compliant revision(s) only. CSC will evaluate the bid based on the original bid submitted and all other compliant revision(s).

#### SI05BID SECURITY REQUIREMENTS

R2710T - General Instructions - Construction Services - Bid Security Requirements is modified as follow:

Delete GI08.2 and replace with the following:

- 2. A bid bond (form <u>PWGSC-TPSGC 504</u>) must be in an approved form, properly completed, with valid and enforceable signatures and sealed by the approved bonding company whose bonds are acceptable to Canada either at the time of solicitation closing or as identified in Treasury Board Appendix L. Acceptable Bonding Companies.
  - 2.1 A bid bond may be submitted in an electronic format (Electronic Bonding (E-Bond)) if it meets the following criteria:
    - a. The version submitted by the Bidder must be an electronic encrypted file with embedded digital certificate verifiable by Canada with respect to the totality and wholeness of the bond form, including: the content; all digital signatures; all digital seals; with the Surety Company, or an approved verification service provider of the Surety Company.
    - b. The version submitted must be viewable, printable and storable in standard electronic file formats compatible with Canada, and in a single file, allowable format pdf.
    - c. The verification may be conducted by Canada immediately or at any time during the life of the Bond and at the discretion of Canada.
    - d. The results of the verification must provide a clear, immediate and printable indication of pass or fail regarding Item 2.1.a.
    - e. Submitting copies (non-original, non-verifiable or scanned copy) of signed and sealed bid bond are not acceptable. Failure to submit an original or verifiable bond will render the bid non-compliant. Non-compliant bids will be given no further consideration. A scanned copy of a bond does not constitute a digital bond.
  - 2.2 Bonds failing the verification process will NOT be considered valid.
  - 2.3 Bonds passing the verification process will be treated as original and authentic.

#### SI06 SUBMISSION OF BID

Section GI09 Submission of bid of General Instructions – Construction Services – Bid Security Requirements R2710T is amended as follows:

Delete: Section GI09 Submission of bid in its entirety.

Insert: GI09 Submission of bid:

- Bidders must submit the Bid and Acceptance Form, duly completed, and the bid security only to Correctional Service of Canada (CSC) by the date, time and at the CSC bid submission email address indicated on Front Page of the Invitation to Tender. This email address is the only acceptable email address for Bidders to submit their Bid and Acceptance Form in response to this Invitation to Tender.
- Bidders must submit their bid on or before the date and time set for solicitation closing.
- 2. Unless otherwise specified in the Special Instructions to Bidders
  - a. the bid must be in Canadian currency;
  - the requirement does not offer exchange rate fluctuation risk mitigation. CSC will not consider requests for exchange rate fluctuation risk mitigation. All bids including such provision will render the bid nonresponsive.
- 3. Prior to submitting the bid, the Bidder should ensure that the following information is included in the subject field of their email:
  - a. Solicitation Number;
  - b. Name of Bidder: and
  - c. Invitation to Tender Closing Date and Time.
- 4. Timely and correct delivery of bids is the sole responsibility of the Bidder.
- 5. Canada will not be responsible for any failure attributable to the transmission or receipt of the bid by email including, but not limited to, the following:
  - i. Receipt of a garbled, corrupted or incomplete bid;
  - ii. Availability or condition of the email service:
  - iii. Incompatibility between the sending and receiving equipment;
  - iv. Delay in transmission or receipt of the bid;
  - v. Failure of the Bidder to properly identify the bid;
  - vi. Illegibility of the bid;
  - vii. Security of bid data;
  - viii. Failure of the Bidder to send the bid to the correct email address;
  - ix. Connectivity issues; or
  - x. Email attachments that are blocked or not received even though the Bidder's email has been successfully delivered.
- 7. CSC will send an acknowledgement of receipt of the Bidder's email by email from the email address provided for the submission of bids. This acknowledgement will confirm only the receipt of the Bidder's email and will not confirm if all of the Bidder's email attachments have been received, may be opened nor if their contents are readable. CSC will not respond to follow-up emails from Bidders requesting confirmation of attachments.
- 8. Bidders must ensure they are using the correct email address for bid submission and should not rely on the accuracy of copying and pasting the email address from the Invitation to Tender document cover page.
- 9. A bid transmitted by a Bidder to the CSC submission email address constitutes the Bidder's formal bid.
- 10. Bidders are to note that CSC's email system has a limit of 10 MB per single email message. CSC's email system will reject emails with the following attachments: batch files, executable files, and image files in the following formats: JPEG, GIF, TIFF. Canada will not accept encrypted emails or emails that include attachments with passwords.

#### SI07BID RESULTS

- The responsive bid carrying the lowest price will be recommended for contract award.
- CSC will send an official letter by email to unsuccessful bidders to inform them of the name of the winning bidder as 2. well as the total contract value.

#### SI08INSUFFICIENT FUNDING

In the event that the lowest compliant bid exceeds the amount of funding allocated by Canada for the Work, Canada in its sole discretion may:

- cancel the solicitation; or
- obtain additional funding and award the Contract to the Bidder submitting the lowest compliant bid.

#### **SI09BID VALIDITY PERIOD**

- Canada reserves the right to seek an extension to the bid validity period prescribed in BA04 of the Bid and Acceptance Form. Upon notification in writing from Canada, Bidders will have the option to either accept or reject the proposed extension.
- If the extension referred to in paragraph 1 above is accepted, in writing, by all those who submitted bids, then Canada will continue immediately with the evaluation of the bids and its approvals processes.
- If the extension referred to in paragraph 1 above is not accepted in writing by all those who submitted bids then Canada will, at its sole discretion, either
  - continue to evaluate the bids of those who have accepted the proposed extension and seek the necessary approvals; or
  - cancel the invitation to tender.
- The provisions expressed herein do not in any manner limit Canada's rights in law or under GI11 of R2710T.

#### **SI10RIGHTS OF CANADA**

- Canada reserves the right to:
  - a. Reject any or all bids received in response to the bid solicitation;
  - b. Enter into negotiations with bidders on any or all aspects of their bids;
  - c. Accept any bid in whole or in part without negotiations;
  - d. Cancel the bid solicitation at any time;
  - e. Reissue the bid solicitation;
  - If no compliant bids are received and the requirement is not substantially modified, reissue the bid solicitation by inviting only the bidders who bid to resubmit bids within a period designated by Canada; and
  - Negotiate with the sole compliant Bidder to ensure best value to Canada.

#### SI11LISTING OF SUBCONTRACTORS AND SUPPLIERS

R2710T, GI07 has been amended to the following.

# **Listing of Subcontractors and Suppliers**

Notwithstanding any list of Subcontractors that the Bidder may be required to submit as part of the bid, Bidders should submit the list of subcontractors and suppliers with their bid but may submit it afterwards. If the list of subcontractors and suppliers is not submitted as requested, the Contracting Authority will inform the Bidder of a time frame within which to provide the information. Failure to provide the list of subcontractors and suppliers will render the bid non-responsive.

#### SI12BID CHALLENGE AND RECOURSE MECHANISMS

Canada encourages suppliers to first bring their concerns to the attention of the Contracting Authority.

- e. Supplementary Conditions
- f. Any amendment issued, or any allowable bid revision received before the date and time set for solicitation closing;
- g. Any amendment incorporated by mutual agreement between Canada and the Contractor before acceptance of the bid: and
- h. Any amendment or variation of the contract documents that is made in accordance with the General Conditions.
- The documents identified by title, number and date above are incorporated by reference and are set out in the Standard Acquisition Clauses and Conditions (SACC) Manual, issued by Public Works and Government Services Canada (PWGSC). The SACC Manual is available on the PWGSC Web site:

https://buyandsell.gc.ca/policy-and-quidelines/standard-acquisition-clauses-and-conditions-manual

3. The language of the contract documents is the language of the Bid and Acceptance Form submitted.

# SUPPLEMENTARY CONDITIONS (SC)

### **SC01 INSTITUTIONAL ACCESS REQUIREMENTS**

- 1. NIL security screening required as there is no access to sensitive information or assets. Contractor personnel will be escorted at all times by Correctional Service Canada personnel or those authorized by CSC on its behalf. CSC has developed very stringent internal policies to ensure that the security of institutional operations is not compromised.
- 2. Contractor personnel must adhere to institutional requirements for the conduct of searches by Correctional Service Canada prior to admittance to the institution/site. Correctional Service Canada reserves the right to deny access to any institution/site or part thereof of any Contractor personnel, at any time.

#### **SC02 INSURANCE TERMS**

# 1. Insurance Contracts

- The Contractor must, at the Contractor's expense, obtain and maintain insurance contracts in accordance with the requirements of the Certificate of Insurance. Coverage must be placed with an Insurer licensed to carry out business in Canada.
- b. Compliance with the insurance requirements does not release the Contractor from or reduce its liability under the Contract. The Contractor is responsible for deciding if additional insurance coverage is necessary to fulfill its obligation under the Contract and to ensure compliance with any applicable law. Any additional insurance coverage is at the Contractor's expense, and for its own benefit and protection.

#### 2. Period of Insurance

- The policies required in the Certificate of Insurance must be in force from the date of contract award and be maintained throughout the duration of the Contract.
- b. The Contractor must be responsible to provide and maintain coverage for Products/Completed Operations hazards on its Commercial General Liability insurance policy, for a period of six (6) years beyond the date of the Certificate of Substantial Performance.

#### 3. Proof of Insurance

- a. Before commencement of the Work, and no later than thirty (30) days after contract award, the Contractor must deposit with Canada a Certificate of Insurance on the form attached herein.
- b. Upon request by Canada, the Contractor must provide originals or certified true copies of all contracts of insurance maintained by the Contractor pursuant to the Certificate of Insurance.

# 4. Insurance Proceeds

In the event of a claim, the Contractor must, without delay, do such things and execute such documents as are necessary to effect payment of the proceeds.

#### 5. Deductible

The payment of monies up to the deductible amount made in satisfaction of a claim must be borne by the Contractor.

# SC03 SUPPLEMENTAL GENERAL CONDITIONS 4013 (2022-06-20) – COMPLIANCE WITH ON-SITE MEASURES, STANDING ORDERS, POLICIES, AND RULES

The Contractor must comply and ensure that its employees and subcontractors comply with all security measures, standing orders, policies or other rules in force at the site where the Work is performed.

#### SC04 SACC MANUAL CLAUSE A3015C (2011-06-26) - CERTIFICATIONS - CONTRACT

Compliance with the certifications provided by the Contractor in its bid is a condition of the Contract and subject to verification by Canada during the term of the Contract. If the Contractor does not comply with any certification or it is determined that any certification made by the Contractor in its bid is untrue, whether made knowingly or unknowingly, Canada has the right, pursuant to the default provision of the Contract, to terminate the Contract for default.

#### SC05 TYPES AND AMOUNTS OF CONTRACT SECURITY

Remove and Replace GC9.2.2. with the following

A performance bond (form <u>PWGSC-TPSGC 505</u>) and a labour and material payment bond (form <u>PWGSC-TPSGC 506</u>) referred to in subparagraph 1)(a) of GC9.2 shall be in a form and be issued by a bonding or surety company (see Treasury Board Appendix L, <u>Acceptable Bonding Companies</u>) that is approved by Canada. They can be in the form of Signed and Sealed paper version OR electronic digital version.

Electronic digital versions must meet the following;

- 1. A performance bond and a labour and material payment bond may be submitted in an electronic or digital format if it meets the following criteria:
  - 1.1. The versions submitted by the Contractor must be verifiable by Canada with respect to the totality and wholeness of the bonds form, including: the content; all digital signatures; all digital seals; with the Surety Company, or an approved verification service provider of the Surety Company.
  - 1.2. The versions submitted must be viewable, printable and storable in standard electronic file formats compatible with Canada's systems, and in a single file. Allowable formats include pdf.
  - 1.3. The verification may be conducted by Canada immediately or at any time during the life of the bonds and at the discretion of Canada with no requirement for passwords or fees.
  - 1.4. The results of the verification must provide a clear, immediate and printable indication of pass or fail regarding ltem 1.1.
- Bonds failing the verification process will NOT be considered to be valid.

#### SC06 COMPLIANCE WITH APPLICABLE LAWS:

The Contractor must comply with all laws, regulations rules instructions and directives applicable to the performance of the Work or any part thereof in force on the site where the Work is to be performed. The Contractor must also comply with all laws, regulations, rules, instructions and directives applicable to the agents and servants of the Crown. The Contractor must also require compliance therewith by all of its subcontractors. Evidence of compliance with such laws, regulations and rules must be furnished by the Contractor to the Contracting Authority at such times as the Contracting Authority may reasonably request.

Unless otherwise provided in the contract, the Contractor must obtain all permits and hold all certificates and licenses required for the performance of the Work.

Details on existing CSC policies can be found at www.csc-scc.gc.ca or any other CSC web page designated for such purpose.

#### **SC07 WORKERS COMPENSATION**

It is mandatory that every Contractor contracted for work must have an account with the applicable Provincial or Territorial Workers Compensation Board/Commission, and coverage shall be extended to cover all employees.

### **SC08 TUBERCULOSIS TESTING:**

It is a condition of this contract that the Contractor or any employees of the Contractor who require entry into a Correctional Service of Canada Institution to fulfil the conditions of the contract may, at the sole discretion of the Warden,

be required to provide proof of and results of a recent tuberculin test for the purpose of determining their TB infection status.

Failure to provide proof of and results of a tuberculin test may result in the termination of the contract.

All costs related to such testing will be at the sole expense of the Contractor.

#### **SC09 INFORMATION GUIDE FOR CONTRACTORS**

Prior to the commencement of any work, the Contractor certifies that its employees, or employees of its subcontractors, working under contract for CSC, will complete the applicable Module(s) and retain the signed checklist(s) from the CSC Information Guide for Contractors" website: www.bit.do/CSC-EN.

#### SC10 CLOSURE OF GOVERNMENT OFFICES

Contractor personnel are employees of the Contractor and are paid by the Contractor on the basis of services rendered. Where the Contractor or the Contractor's employees are providing services on government premises pursuant to this Contract and the said premises become non accessible due to evacuation or closure of government offices, and consequently no Work is being performed as a result of the closure, Canada will not be liable for payment to the Contractor for the period of closure.

Contractors working at CSC sites should be aware that they may be faced with delay or refusal of entry to certain areas at certain times even if prior arrangements for access may have been made. Contractors are advised to call in advance of travel to ensure that planned access is still available.

#### SC11 CONTRACTOR'S PERFORMANCE EVALUATION REPORT

CSC will evaluate the Contractor's performance during the execution of the work and when it is completed using PWGSC - TPSGC form 2913 "Contractor Performance Evaluation Report Form (CPERF)". This evaluation will be based on the quality of the execution of the work, timeliness, management of on-site health and safety and the general management of the Contractor's work in relation to the effort required by the Department's employees in the administration of the contract. A completed performance evaluation report will be sent to the Contractor when the work has been completed for all projects.

# APPENDIX A - COMBINED PRICE FORM (1 page)

- 1) The prices per unit will govern in establishing the Total Extended Amount. Any arithmetical errors in this Appendix will be corrected by Canada.
- 2) Canada may reject the bid if any of the prices submitted do not reasonably reflect the cost of performing the part of the work to which that price applies.

# **LUMP SUM**

The Lump Sum Amount designates Work to which a Lump Sum Arrangement applies.

Work included in the Lump Sum Amount represents all work not included in the unit price table.

LUMP SUM AMOUNT (LSA)	
Excluding applicable taxe(s)	

#### **UNIT PRICE TABLE**

The Unit Price Table designates Work to which a Unit Price Arrangement applies.

- a. Work included in each item is as described in the referenced specification section.
- The Price per Unit will not include any amounts for Work that is not included in that unit price Item.

# **APPENDIX B - INTEGRITY PROVISIONS**

**List of names:** all bidders, regardless of their status under the Policy, must submit the following information when participating in a procurement process or real property transaction:

- Bidders that are corporate entities, including those bidding as joint ventures, must provide a complete list of the names of all current directors or, for a privately owned corporation, the names of the owners of the corporation;
- Bidders bidding as sole proprietors, including sole proprietors bidding as joint ventures, must provide a complete list of the names of all owners; or
- Bidders that are a partnership do not need to provide a list of names.

ne list of names has not been received in a procurement process or real property transaction by the time the evaluation bids or offers is completed or has not been received in a procurement process or real property transaction where no foffer will be submitted, the Contracting Authority will inform the Bidder of a time within which to provide the primation. Providing the required names is a mandatory requirement for award of a contract or real property agreement. It is provided the list of names within the time specified will render a bid or offer non-responsive, or the Bidder erwise disqualified for award of a contract or real property agreement.				

# **APPENDIX C - LISTING OF SUBCONTRACTORS AND SUPPLIERS**

1) In accordance with SI12 Listing of Subcontractors and Suppliers, the Bidder should submit the list of Subcontractors and Suppliers for any portion of the Work valued at 20% or greater of the submitted In Price.

# APPENDIX D VOLUNTARY CERTIFICATION TO SUPPORT THE USE OF APPRENTICES (page 1 of 2)

#### PUBLIC WORKS AND GOVERNMENT SERVICES CANADA APPRENTICE PROCUREMENT INITIATIVE

- To encourage employers to participate in apprenticeship training, Bidders, bidding on construction and maintenance contracts by Public Works and Government Services Canada (PWGSC) are being asked to sign a voluntary certification, signaling their commitment to hire and train apprentices.
- 2. Canada is facing skills shortages across various sectors and regions, especially in the skilled trades. Equipping Canadians with skills and training is a shared responsibility. The Government of Canada made a commitment to support the use of apprentices in federal construction and maintenance contracts. Contractors have an important role in supporting apprentices through hiring and training and are encouraged to certify that they are providing opportunities to apprentices as part of doing business with the Government of Canada.
- 3. The Government of Canada is encouraging apprenticeships and careers in the skilled trades. In addition, the government offers a tax credit to employers to encourage them to hire apprentices. Information on this tax measure administered by the Canada Revenue Agency can be found at: www.cra-arc.gc.ca. Employers are also encouraged to find out what additional information and supports are available from their respective provincial or territorial jurisdiction.
- 4. Signed certifications on page 2 of 2 will be used to better understand contractor use of apprentices on Government of Canada maintenance and construction contracts and may inform future policy and program development.
- 5. The Contractor hereby certifies the following:

In order to help meet demand for skilled trades people, the Contractor agrees to use, and require its subcontractors to use, reasonable commercial efforts to hire and train registered apprentices, to strive to fully utilize allowable apprenticeship ratios \* and to respect any hiring requirements prescribed by provincial or territorial statutes

The Contractor hereby consents to this information being collected and held by PWGSC, and Employment and Social Development Canada to support work to gather data on the hiring and training of apprentices in federal construction and maintenance contracts.

To support this initiative, a voluntary certification signaling the Contractor's commitment to hire and train apprentices is available at page 2 of 2.

If you accept fill out and sign page 2 of 2.

<sup>\*</sup> The journeyperson-apprentice ratio is defined as the number of qualified/certified journeypersons that an employer must employ in a designated trade or occupation in order to be eligible to register an apprentice as determined by provincial/territorial (P/T) legislation, regulation, policy directive or by law issued by the responsible authority or agency.

# **VOLUNTARY CERTIFICATION**

(To be filled out and returned with bid on a voluntary basis) (page 2 of 2)

The contractor will be asked to fill out a report every six months or at project completion as per sample "Voluntary Note: Reports for Apprentices Employed during the Contract" provided at Annex C

PAGE 2 of 2

#### General

The insurance policies required on page 1 of the Certificate of Insurance must be in force and must include the insurance coverage listed under the corresponding type of insurance on this page.

The policies must insure the Contractor and must include His Majesty the King in Right of Canada as represented by the Minister of Public Safety Canada as an additional Insured.

The Policy must be endorsed to provide the owner with not less than thirty (30) days notice in writing in advance of any cancellation cancellation or change or amendment restricting coverage.

Without increasing the limit of liability, the policies must protect all insured parties to the full extent of coverage provided. Further, the policies must apply to each Insured in the same manner and to the same extent as if a separate policy had been issued to each.

#### **Commercial General Liability.**

The insurance coverage provided must not be substantially less than that provided by the latest edition of IBC form 2100.

The policy must either include or be endorsed to include coverage for the following exposures or hazards if the Work is subject thereto:

- a) Blasting:
- b) Pile driving and caisson work;
- c) Underpinning;
- d) Removal or weakening of support of any structure or land whether such support be natural or otherwise if the work is performed by the insured contractor.

The policy must have the following minimum limits:

- a) \$5,000,000 Each Occurrence Limit;
- b) \$10,000,000 General Aggregate Limit per policy year if the policy contains a General Aggregate; and
- c) \$5,000,000 Products/Completed Operations Aggregate Limit.

Umbrella or excess liability insurance may be used to achieve the required limits.

#### Builder's Risk / Installation Floater.

The insurance coverage provided must not be less than that provided by the latest edition of IBC forms 4042 and 4047.

The policy must permit use and occupancy of any of the projects, or any part thereof, where such use and occupancy is for the purposes for which a project is intended upon completion.

The policy may exclude or be endorsed to exclude coverage for loss or damage caused by asbestos, fungi or spores, cyber and terrorism.

The policy must have a limit that is **not less than the sum of the contract value** plus the declared value (if any) set forth in the contract documents of all material and equipment supplied by Canada at the site of the project to be incorporated into and form part of the finished work. If the value of the work is changed, the policy must be changed to reflect the revised contract value.

The policy must provide that the proceeds thereof are payable to Canada or as Canada may direct in accordance with GC10.2, "Insurance Proceeds" (<a href="https://buyandsell.gc.ca/policy-and-guidelines/standards-acquisition-clauses-and-conditions-manual/5/R/R2900D/2">https://buyandsell.gc.ca/policy-and-guidelines/standards-acquisition-clauses-and-conditions-manual/5/R/R2900D/2</a>).

#### **Contractors Pollution Liability**

The policy must have a limit usual for a contract of this nature, but no less than \$1,000,000 per incident or occurrence and in the aggregate.

# ANNEX B - VOLUNTARY REPORT FOR APPRENTICES EMPLOYED DURING THE CONTRACT (Sample)

(This report is not required at bid deposit)

The Contractor should compile and maintain records on the number of apprentices and their trade that were hired to work on the contract.

The Contractor should provide this data in accordance with the format below. If no apprentices were hired during the contract period, the Contractor should still provide a "nil" report.

The data should be submitted to the Contracting Authority either six months after contract award or at the end of the contract, whichever comes first.

Number of apprentices hired	Trade

#### ANNEX C - SCOPE OF WORK

#### Objective

To replace two existing failed R22 air conditioning units with two new, compatible, more environmentally friendly units.

#### **Background**

Observation towers A/B and C/D at Joyceville Institution have air conditioning systems that can no longer hold refrigerant and are running at fifty percent capacity. The R22 refrigerant for these units is no longer available, making the existing units non-serviceable.

#### **Deliverables**

- The Contractor must remove all existing R22 refrigerant from each existing unit and dispose of it as per current Environmental regulations.
- The Contractor must remove existing compressors, condensers, evaporators, supply, return and control lines from each unit.
- The Contractor must dispose of the existing units as per current Environmental Regulations.
- The Contractor is responsible for any Locates necessary for the installation of the new units.
- The Contractor must supply, install, and commission new compressors, evaporators, coil sections, condensers, supply, return and control lines for two new units.
- The Contractor must provide replacement units of like quality and size to the existing units: Trane Model #TTA 180BW00BA – two (2) stages of 7.5T.
- Photos of one of the existing units can be found in Annex D Photos.

#### **Delivery and Security**

Contractor considerations:

- All Contractor employees entering the facility shall report to the main entrance and pass through all security devices and screening before reporting to the identified work area.
- All Contractor employees will be provided an escort at the main entrance prior to entering Institution and will be escorted at all times during the installation process.
- At any time, a corrections officer may require the Contractor's employees to submit to a search if deemed necessary by the corrections officer.
- All Contractor employees should be aware that a tobacco ban is in effect. No smoking materials are permitted in the institution.
- Any unauthorized cell phones, laptops and cameras are not permitted inside the Institution.
- All Contractor employees must follow all COVID Protocol's set-in place by site (if applicable).

#### **Material Requirements**

Contractor shall provide all personnel, tools, services, supplies, materials, supervision, and equipment to complete the work as described. All material shall be new.

#### **Requirements and Considerations**

Contractor must comply with the following:

#### Submittals:

- The Contractor must provide all applicable records such as proof of certification licensing and/or qualifications required by their staff to comply with applicable codes and regulations governing work.
- The Contractor must provide MSDS if required.
- The Contractor must provide a complete project schedule within ten (10) business days after award of contract for approval by the Project Authority.
- The Contractor must submit a health and safety plan (including fire emergency plan). This plan must identify any hazards and details on how these hazards will be mitigated.
- The Contractor must submit a plan to maintain operation of the building during construction for approval by Project Authority prior to any work beginning.
- The Contractor must submit Environmental Protection Plan addressing spill potential, risk protection and response associated with any vehicle fluids from elevating devices and delivery trucks as well as providing a waste management plan (copy of waste manifests).

#### Safety:

 The contractor shall maintain compliance of site procedures regarding potential hazardous work locations and situations.

# Certificates, Inspections, Standards, Codes of Practice and Regulations:

- The Contractor must provide documentation to the Project Authority confirming that all applicable Federal and Provincial safety codes are being adhered to.
- All work must comply with the National Building Code or Ontario Building Code whichever one has more stringent requirements.
- All new materials must be installed in accordance with manufacturer's specifications, engineering standards, building codes, and best practices.
- The Contractor must submit a Notice of Project to the Ministry of Labour prior to starting projects that meet the standards set out in section 6(1) of the Regulations for Construction Projects, O.Reg 213/91 (the Regulation).
   Proof of this notification must be provided to the Project Authority prior to commencing work.

# Workmanship and Housekeeping:

- Any equipment or building damaged in the course of this project must be repaired and restored to normal operation by the contractor at no cost to CSC.
- All workmanship must be of the highest standard and must meet all industry standards.
- The worksite must be kept clean and neat at all times. Upon project completion the workplace area must be visually inspected by the Project Authority or their representative and completed to their satisfaction prior to project closeout. must be clean, free of post construction materials and returned to original integrity.
- If work is to be completed in an occupied area, then construction area must be boarded off by the Contractor and institutional property must be protected from damage and dust.
- The Contractor is responsible for taking accurate measurements.

#### **Tool Control:**

- A master tool list must be provided to the Project Authority prior to project start up. A tool list must be provided daily prior to entry into the Institution, and all tools must be accounted for at the end of day.
- All scrap material (wiring, pipe, etc.) must be accounted for and disposed of appropriately.

# **Site Access:**

- All work must be performed during regular working hours of 0800–1530 Monday–Friday, unless approved by the Project authority in advance.
- Sally-port hours: Monday-Friday 08:15–15:45.
- All Contractor employees must provide current photo identification daily for entry into the Institution.
- Any required submittals must be provided to Project Authority prior to site access.
- All work must be completed without delay and a schedule of operation must be provided to the Project Authority a
  minimum of 48 hours prior to commencing work. The schedule must include the following; start date, hours of
  work, names of those who require entry, milestone dates and completion date.

#### Additional work or delays:

- Any additional work beyond that described in this scope of work must first be approved by the Project Authority prior to commencement.
- Any circumstances that cause delay during the project must be identified to the Project Authority as soon as the
  circumstance is discovered and must be followed up in writing to the Project Authority.

# Disposal or removal of materials and Environmental Protection Plan:

- Disposal of any removed material must be carried out using the highest standard in regard to landfill waste diversion, reusing, recycling, and comply with applicable transportation and environmental legislation (federal and provincial).
- The Contractor must supply copies of waste manifests to the Project Authority.
- The Contractor must ensure that Transportation of Dangerous Goods regulations are followed. Institution may request qualification proof for transporter.
- The Contractor must provide an Environmental Protection Plan that identifies tasks to be performed, associated potential risks and mitigation measures to address those risks.

# **Cost Breakdown:**

• Contractor shall provide a cost breakdown clearly indicating all material and labour.

# **Place of Performance**

Joyceville Institution 3766 Highway 15, Kingston, ON K7L 4X9

# **Period of Performance**

Project shall be completed within twelve (12) weeks of contract award.

# ANNEX D - PHOTO'S

Photo's are supplied as a reference only for one existing unit.
