IMPORTANT NOTICE TO BIDDERS

BIDS RECEIVED BY FAX AND EMAIL WILL BE ACCEPTED AS OFFICIAL.

BIDS RECEIVED IN-PERSON OR BY COURIER WILL NOT BE ACCEPTED.

The only acceptable email address for responses to the bid solicitation is soumissionsest-bidseast@pc.gc.ca. Bids submitted by email directly to the Contracting Authority or to any email address other than soumissionsest-bidseast@pc.gc.ca will not be accepted.

The only acceptable facsimile for responses to bid solicitations is **1-877-558-2349**.

The maximum email file size that Parks Canada is capable of receiving is 15 megabytes. The Bidder is responsible for any failure attributable to the transmission or receipt of the emailed bid due to file size.

The Bidder should be cognisant of the size of the email as a whole, and not only the attachments. Please take into consideration that some attachments, when sent, may be resized during the email transfer. If the email size is too large, the Bidder should send the bid in multiple emails properly labeled with the solicitation number, project name, and indicate how many emails are included (ex. 1 of 2).

Emails with links to bid documents will not be accepted. Bid documents must be sent as email attachments.

Direct Deposit

The Government of Canada has replaced cheques with direct deposit payment(s); an electronic transfer of funds deposited directly into a bank account. In order to receive payment, new vendors that are awarded a contract will be required to complete a direct deposit enrolment form to register their direct deposit information with Parks Canada.

Additional information on this Government of Canada initiative is available at:
<http://www.directdeposit.gc.ca>

PART 1 – INFORMATION AND INSTRUCTIONS

1.1. Security Requirements

1.1.1. There is no security requirement associated with the bid solicitation.

1.2. Statement of Work

The Work to be performed is detailed under Article 6.2 of the resulting contract clauses.

1.3. Optional Site Visit

It is recommended that the Bidder or a representative of the Bidder visit the work site. Arrangements have been made for the site visit to be held at **2 rue d’Auteuil, Québec, QC G1R 5C2 on January 18, 2024. The site visit will begin at 10:00 EST.** Limited parking space, please prioritize one vehicle per Bidders Company, if possible.

Bidders are requested to communicate with the Contracting Authority (helene.periard@pc.gc.ca) **no later than January 17, 2024 at 2:00 pm EST to confirm attendance** and provide the name(s) of the person(s) who will attend. Bidders may be requested to sign an attendance sheet. Bidders who do not attend or do not send a representative will not be given an alternative appointment but they will not be precluded from submitting a bid. Any clarifications or changes to the bid solicitation resulting from the site visit will be included as an amendment to the bid solicitation.

1.4. Debriefings

Bidders may request a debriefing on the results of the bid solicitation process. Bidders should make the request to the Contracting Authority within 15 working days from receipt of the results of the bid solicitation process. The debriefing may be in writing, by telephone or in person.

1.5. Trade Agreement

The requirement is subject to the provisions of the Canadian Free Trade Agreement (CFTA), Canada-Chile Free Trade Agreement (CCFTA), Comprehensive and Progressive Agreement for Trans-Pacific Partnership (CPTPP), Canada-Colombia Free Trade Agreement (CCoFTA), Comprehensive Economic and Trade Agreement (CETA), Canada-Honduras Free Trade Agreement (CHFTA), Canada-Korea Free Trade Agreement (CKFTA), Canada-Panama Free Trade Agreement (CPaFTA), Canada-Peru Free Trade Agreement (CPFTA), Canada-Ukraine Free Trade Agreement (CUFTA), Canada-United Kingdom Trade Continuity (Canada-UK TCA), and the World Trade Organization-Agreement on Government Procurement (WTO-GPA).

Lawn and landscape maintenance at Fortifications of Québec National Historic Site

PART 2 – BIDDER INSTRUCTIONS

2.1. Standard Instructions, Clauses and Conditions

All instructions, clauses and conditions identified in the bid solicitation by number, date and title are set out in the [Standard Acquisition Clauses and Conditions Manual](https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual) (<https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual>) issued by Public Works and Government Services Canada.

Bidders who submit a bid agree to be bound by the instructions, clauses and conditions of the bid solicitation and accept the clauses and conditions of the resulting contract.

The [2003](#) (2023-06-08), Standard Instructions – Goods or Services – Competitive Requirements, are incorporated by reference into and form part of the bid solicitation.

All reference to the Minister of Public Works and Government Services Canada shall be deleted and replaced with the Minister of the Environment for the purposes of the Parks Canada Agency. All reference to the Department of Public Works and Government Services Canada shall be deleted and replaced with the Parks Canada Agency.

2.2. Submission of Bids

Bids must be submitted only to the Parks Canada Agency (PCA) Bid Receiving Unit by the date and time indicated on page 1 of the bid solicitation.

Bids submitted in-person or by courier will not be accepted.

The only acceptable facsimile for responses to bid solicitations is **1-877-588-2349**.

The only acceptable email address for responses to bid solicitations is soumissionsest-bidseast@pc.gc.ca.

The maximum email file size that Parks Canada is capable of receiving is 15 megabytes. The Bidder is responsible for any failure attributable to the transmission or receipt of the emailed bid due to file size.

The Bidder should be cognisant of the size of the email as a whole, and not only the attachments. Please take into consideration that some attachments, when sent, may be resized during the email transfer. If the email size is too large, the Bidder should send the bid in multiple emails properly labeled with the solicitation number, project name, and indicate how many emails are included (ex. 1 of 2).

Emails with links to bid documents will not be accepted. Bid documents must be sent as email attachments.

2.3. Enquiries – Bid Solicitation

All enquiries must be submitted in writing to the Contracting Authority no later than (5) five calendar days before the bid closing date. Enquiries received after that time may not be answered.

Bidders should reference as accurately as possible the numbered item of the bid solicitation to which the enquiry relates. Care should be taken by Bidders to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that the Bidder do so, so that the proprietary nature of the question(s) is

S.O.

Title:
Lawn and landscape maintenance at Fortifications of Québec National Historic Site

eliminated, and the enquiry can be answered to all Bidders. Enquiries not submitted in a form that can be distributed to all Bidders may not be answered by Canada.

2.4. Applicable Laws

Any resulting contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in Quebec.

The Bidder may, at its discretion, substitute the applicable laws of a Canadian province or territory of its choice without affecting the validity of its bid, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of its choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the Bidder.

2.5. Bid Challenge and Recourse Mechanisms

2.5.1. Several mechanisms are available to potential suppliers to challenge aspects of the procurement process up to and including contract award.

2.5.2. Canada encourages suppliers to first bring their concerns to the attention of the Contracting Authority. Canada's [Buy and Sell website](#), under the heading "[Bid Challenge and Recourse Mechanisms](#)" contains information on potential complaint bodies such as:

- Office of the Procurement Ombudsman (OPO)
- Canadian International Trade Tribunal (CITT)

2.5.3. Suppliers should note that there are strict deadlines for filing complaints, and the time periods vary depending on the complaint body in question. Suppliers should therefore act quickly when they want to challenge any aspect of the procurement process.

PART 3 – BID PREPARATION INSTRUCTIONS

3.1. Bid Preparation Instructions

Canada requests that the bid be gathered per section and separated as follows:

Section I: Technical Bid
Section II: Financial Bid
Section III: Certifications

Prices must appear in the financial bid only. No prices must be indicated in any other section of the bid.

Section I: Technical Bid

In their technical bid, Bidders should explain and demonstrate how they propose to meet the requirements and how they will carry out the Work.

Section II: Financial Bid

Bidders must submit their financial bid in accordance with the Basis of Payment at **Annex B, Basis of Payment**.

3.1.1. Exchange Rate Fluctuation

The requirement does not offer exchange rate fluctuation risk mitigation. Requests for exchange rate fluctuation risk mitigation will not be considered. All bids including such provision will render the bid non-responsive.

Section III: Certifications

Bidders must submit the certifications and additional information required under Part 5.

PART 4 – EVALUATION PROCEDURES AND BASIS OF SELECTION

4.1. Evaluation Procedures

- (a) Bids will be assessed in accordance with the entire requirement of the bid solicitation including the technical and financial evaluation criteria.
- (b) An evaluation team composed of representatives of Canada will evaluate the bids.

4.1.1. Technical Evaluation

4.1.1.1. Mandatory Technical Criteria

Technical bids will be evaluated against the mandatory technical evaluation criteria specified below.

Number	Mandatory criteria
M1	<p>EQUIPMENT</p> <p>The bidder must provide a list of the equipment it will have available to carry out the work.</p> <p>The bidder must include the description of the equipment, its accessories and its year of manufacture.</p> <p>The contractor must have, at minimum:</p> <ul style="list-style-type: none">a) Three (3) manual rotary mowers with a deflector;b) One (1) tractor equipped with a rotary mower with a deflector;c) Two (2) gas-powered trimmers (nylon string trimmers only);d) One (1) tractor-mounted aerator, open spoon tines or core tines;e) One (1) portable aerator, open spoon tines or core tines. <p>COMMENTS:</p> <ol style="list-style-type: none">1. <i>The tractor with a mower must be equipped with flotation low-pressure tires specifically designed for driving on grassy areas, and must not exceed nine hundred (900) kilograms, unless approved by the project authority. This information must be confirmed in the proposal provided by the bidder.</i>2. <i>If a piece of equipment differs from the above list, as long as the proposed equipment is equivalent to what is required, Park Canada may still consider it acceptable. Equipment must be in good working order and may be inspected by Parks Canada staff before use.</i>

4.1.2. Financial Evaluation

The price of the bid will be evaluated in Canadian dollars, Applicable Taxes excluded, FOB destination, Canadian customs duties and excise taxes included.

4.1.3. Basis of Selection – Mandatory Technical Criteria

A bid must comply with the requirements of the bid solicitation and meet all mandatory technical evaluation criteria to be declared responsive. The responsive bid with the lowest evaluated price will be recommended for award of a contract.

PART 5 – CERTIFICATIONS AND ADDITIONAL INFORMATION

Bidders must provide the required certifications and additional information to be awarded a contract.

The certifications provided by Bidders to Canada are subject to verification by Canada at all times. Unless specified otherwise, Canada will declare a bid non-responsive, or will declare a contractor in default if any certification made by the Bidder is found to be untrue whether made knowingly or unknowingly, during the bid evaluation period or during the contract period.

The Contracting Authority will have the right to ask for additional information to verify the Bidder's certifications. Failure to comply and to cooperate with any request or requirement imposed by the Contracting Authority will render the bid non-responsive or constitute a default under the Contract.

5.1. Certifications Required with the Bid

Bidders must submit the following duly completed certifications as part of their bid.

5.1.1. Integrity Provisions – Declaration of Convicted Offences

In accordance with the Integrity Provisions of the Standard Instructions, all Bidders must provide with their bid, if applicable, the declaration form available on the [Forms for the Integrity Regime](http://www.tpsgc-pwgsc.gc.ca/ci-if/declaration-eng.html) website (<http://www.tpsgc-pwgsc.gc.ca/ci-if/declaration-eng.html>), to be given further consideration in the procurement process.

5.2. Certifications Precedent to Contract Award and Additional Information

The certifications and additional information listed below should be submitted with the bid, but may be submitted afterwards. If any of these required certifications or additional information is not completed and submitted as requested, the Contracting Authority will inform the Bidder of a time frame within which to provide the information. Failure to provide the certifications or the additional information listed below within the time frame specified will render the bid non-responsive.

5.2.1. Integrity Provisions – Required Documentation

In accordance with the section titled Information to be provided when bidding, contracting or entering into a real property agreement of the [Ineligibility and Suspension Policy](http://www.tpsgc-pwgsc.gc.ca/ci-if/politique-policy-eng.html) (<http://www.tpsgc-pwgsc.gc.ca/ci-if/politique-policy-eng.html>), the Bidder must provide the required documentation, as applicable, to be given further consideration in the procurement process.

The Bidder, regardless of their status under the [Ineligibility and Suspension Policy](#), must provide the information requested at **Annex E to Part 5 of the Bid Solicitation** prior to contract award.

5.2.2. Former Public Servant

Contracts awarded to former public servants in receipt of a pension or a lump sum payment must bear the closest public scrutiny and reflect fairness in the spending of public funds.

In order to comply with Treasury Board policies and directives on contracts awarded to Former Public Servants, the Bidder must provide the information requested at **Annex F to Part 5 of the Bid Solicitation** prior to contract award.

5.2.3. Federal Contractors Program for Employment Equity – Bid Certification

By submitting a bid, the Bidder certifies that the Bidder, and any of the Bidder's members if the Bidder is a Joint Venture, is not named on the Federal Contractors Program (FCP) for employment equity "FCP Limited Eligibility to Bid" list available at the bottom of the page of the [Employment and Social Development Canada \(ESDC\) – Labour's](#) website.

Canada will have the right to declare a bid non-responsive if the Bidder, or any member of the Bidder if the Bidder is a Joint Venture, appears on the "FCP Limited Eligibility to Bid" list at the time of contract award.

PART 6 – RESULTING CONTRACT CLAUSES

The following clauses and conditions apply to and form part of any contract resulting from the bid solicitation.

6.1. Security Requirements

6.1.1. There is no security requirement applicable to the Contract.

6.2. Statement of Work

The Contractor must perform the Work in accordance with the Statement of Work at Annex "A".

6.3. Work Authorization Process – Work on demand

6.3.1. Work Authorisation

The Work or a portion of the Work to be performed under the Contract will be on an "as and when requested basis" using a Work Authorization (WA). The Work described in the WA must be in accordance with the scope of the Contract.

6.3.2. Work Authorization Process

1. The Project Authority will provide the Contractor with a description of the work.
2. The Work Authorization (WA) will contain the details of the activities to be performed, a description of the deliverables, and a schedule indicating completion dates for the major activities or submission dates for the deliverables. The WA will also include the applicable basis(bases) and methods of payment as specified in the Contract.
3. The contractor has a period of two (2) working days to acknowledge receipt of the WA and a period of 3 to 5 working days, in accordance with the WA instruction, to carry out the work requested.
4. The Contractor must not commence work until a WA authorized by the Project Authority has been received by the Contractor. The Contractor acknowledges that any work performed before a WA has been received will be done at the Contractor's own risk.

6.3.3. Canada's Obligation – Portion of the Work - Work Authorizations

Canada's obligation with respect to the portion of the Work under the Contract that is performed through work authorizations is limited to the total amount of the actual work performed by the Contractor.

6.4. Standard Clauses and Conditions

All clauses and conditions identified in the Contract by number, date and title are set out in the [Standard Acquisition Clauses and Conditions Manual](https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual) (https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual) issued by Public Works and Government Services Canada.

6.4.1. General Conditions

[2010C](#) (2022-12-01), General Conditions – Services (Medium Complexity) apply to and form part of the Contract.

All reference to the Minister of Public Works and Government Services Canada shall be deleted and replaced with the Minister of the Environment for the purposes of the Parks Canada Agency. All reference to the Department of Public Works and Government Services Canada shall be deleted and replaced with the Parks Canada Agency.

6.4.1.1. Compliance with On-site Measures, Standing Orders, Policies, and Rules

The Contractor must comply and ensure that its employees and subcontractors comply with all security measures, standing orders, policies or other rules in force at the site where the Work is performed.

6.5. Term of Contract

6.5.1. Period of the Contract

The period of the Contract is from April 1, 2024 to March 31, 2027 inclusive.

6.5.2. Option to Extend the Contract

The Contractor grants to Canada the irrevocable option to extend the term of the Contract by up to two (2) additional one (1) year period and one (1) additional period from April 1, 2029 to November 30, 2029 under the same conditions. The Contractor agrees that, during the extended period of the Contract, it will be paid in accordance with the applicable provisions as set out in the Basis of Payment.

Canada may exercise this option at any time by sending a written notice to the Contractor at least (30) thirty calendar days before the expiry date of the Contract. The option may only be exercised by the Contracting Authority, and will be evidenced for administrative purposes only, through a contract amendment.

6.6. Authorities

6.6.1. Contracting Authority

The Contracting Authority for the Contract is:

Hélène Périard
A/Advisor
Parks Canada Agency
National Contracting Services
Chief Financial Officer Directorate
30 Victoria Street
Gatineau, QC J8X 0B3

Telephone: 873-355-3504

E-mail address: helene.periard@pc.gc.ca

The Contracting Authority is responsible for the management of the Contract and any changes to the Contract must be authorized in writing by the Contracting Authority. The Contractor must not perform work in excess of or outside the scope of the Contract based on verbal or written requests or instructions from anybody other than the Contracting Authority.

6.6.2. Project Authority

The Project Authority for the Contract is:

*** to be provided at contract award ***

The Project Authority is the representative of the department or agency for whom the Work is being carried out under the Contract and is responsible for all matters concerning the technical content of the Work under the Contract. Technical matters may be discussed with the Project Authority; however, the Project Authority has no authority to authorize changes to the scope of the Work. Changes to the scope of the Work can only be made through a contract amendment issued by the Contracting Authority.

6.6.3. Contractor's Representative

The Contractor's Representative for the Contract is: **Please provide in your submission.**

Representative's Name:		
Representative's Title:		
Legal Vendor/ Firm Name:		
Operating Vendor/ Firm Name (if different than above):		
Physical Address:		
City:	Province/ Territory:	Postal Code:
Telephone:	Facsimile:	
Email Address:		
Procurement Business Number (PBN) or Goods and Services Tax (GST) Number:		

6.7. Proactive Disclosure of Contracts with Former Public Servants

*** SACC Manual clause A3025C to be inserted at contract award, if applicable ***

6.8. Payment

6.8.1. Basis of Payment – Firm Unit Price(s)

In consideration of the Contractor satisfactorily completing all of its obligations under the Contract, the Contractor will be paid a firm unit price(s), as specified in **Annex B** for a cost of \$ _____. (insert the amount at contract award). Customs duties are included and Applicable Taxes are extra.

Canada will not pay the Contractor for any design changes, modifications or interpretations of the Work, unless they have been approved, in writing, by the Contracting Authority before their incorporation into the Work.

6.8.2. Basis of Payment – Firm Unit Price(s) – Work Authorizations

In consideration of the Contractor satisfactorily completing all of its obligations under the authorized Work Authorization (WA), the Contractor will be paid the firm unit price(s) in accordance with the basis of payment, in **Annex B**, as specified in the authorized WA. Customs duties are included and Applicable Taxes are extra.

Canada will not pay the Contractor for any design changes, modifications or interpretations of the Work, unless they have been authorized, in writing, by the Contracting Authority before their incorporation into the Work.

6.8.3. Limitation of Expenditure

1. Canada's total liability to the Contractor under the Contract must not exceed \$ _____. Customs duties are included (insert the amount at contract award) and Applicable Taxes are extra.
2. No increase in the total liability of Canada or in the price of the Work resulting from any design changes, modifications or interpretations of the Work, will be authorized or paid to the Contractor unless these design changes, modifications or interpretations have been approved, in writing, by the Contracting Authority before their incorporation into the Work. The Contractor must not perform any work or provide any service that would result in Canada's total liability being exceeded before obtaining the written approval of the Contracting Authority.
3. The Contractor must notify the Contracting Authority in writing as to the adequacy of this sum:
 - a. when it is 75% committed, or
 - b. four months before the contract expiry date, or
 - c. as soon as the Contractor considers that the contract funds provided are inadequate for the completion of the Work,whichever comes first.
4. If the notification is for inadequate contract funds, the Contractor must provide to the Contracting Authority a written estimate for the additional funds required. Provision of such information by the Contractor does not increase Canada's liability.

6.8.4. Monthly Payment

Canada will pay the Contractor on a monthly basis for work performed during the month covered by the invoice in accordance with the payment provisions of the Contract if:

- a. an accurate and complete invoice and any other documents required by the Contract have been submitted in accordance with the invoicing instructions provided in the Contract;
- b. all such documents have been verified by Canada;
- c. the Work performed has been accepted by Canada.

6.9. Invoicing Instructions

1. The Contractor must submit invoices in accordance with the section entitled "Invoice Submission" of the general conditions. Invoices cannot be submitted until all work identified in the invoice is completed.

Invoices must be divided into eight (8) monthly invoices (from April to November) based on the total firm price of the basic work for the current year in Appendix B, divided evenly.

Each invoice must be supported by:

- a. A description of the work carried out in the month covered by the invoice, as described in Appendix B;
 - b. Clear invoice numbering according to annual breakdown (e.g., invoice 1 of 8);
 - c. The contract number;
 - d. One (1) copy of the work authorization, if applicable.
 - e. A work authorization is not guaranteed work, and should not be allocated on monthly basis, but billed separately and included once the service has been rendered.
2. Invoices must be distributed as follows:

One (1) copy must be sent to the address shown on page 1 of the contract for certification and payment.

6.10. Certifications and Additional Information

6.10.1. Compliance

Unless specified otherwise, the continuous compliance with the certifications provided by the Contractor in its bid or precedent to contract award, and the ongoing cooperation in providing additional information are conditions of the Contract and failure to comply will constitute the Contractor in default. Certifications are subject to verification by Canada during the entire period of the Contract.

6.11. Applicable Laws

The Contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in ***** to be inserted at contract award *****.

6.12. Priority of Documents

If there is a discrepancy between the wording of any documents that appear on the list, the wording of the document that first appears on the list has priority over the wording of any document that subsequently appears on the list.

- (a) The Articles of Agreement;
- (b) The general conditions [2010C](#) (2022-12-01), General Conditions – Services (Medium Complexity);
- (c) Annex A, Statement of Work;
- (d) Annex B, Basis of Payment;
- (e) Annex C, Insurance Requirements;
- (f) Annex D, Attestation and Proof of Compliance with Occupational Health and Safety (OHS);
- (g) The Contractor's bid dated *** **to be inserted at contract award** ***.

6.13. SACC Manual Clauses

[A9068C](#) (2010-01-11) Government Site Regulation

[B6802C](#) (2007-11-30) Government Property

6.14. Insurance Requirements

The Contractor must comply with the insurance requirements specified in **Annex C**. The Contractor must maintain the required insurance coverage for the duration of the Contract. Compliance with the insurance requirements does not release the Contractor from or reduce its liability under the Contract.

The Contractor is responsible for deciding if additional insurance coverage is necessary to fulfill its obligation under the Contract and to ensure compliance with any applicable law. Any additional insurance coverage is at the Contractor's expense, and for its own benefit and protection.

The Contractor must forward to the Contracting Authority within ten (10) days after the date of award of the Contract, a Certificate of Insurance evidencing the insurance coverage and confirming that the insurance policy complying with the requirements is in force. For Canadian-based Contractors, coverage must be placed with an Insurer licensed to carry out business in Canada, however, for Foreign-based Contractors, coverage must be placed with an Insurer with an A.M. Best Rating no less than "A-". The Contractor must, if requested by the Contracting Authority, forward to Canada a certified true copy of all applicable insurance policies.

6.15. Inspection and Acceptance

The Project Authority is the Inspection Authority. All reports, deliverable items, documents, goods and all services rendered under the Contract are subject to inspection by the Inspection Authority or representative. Should any report, document, good or service not be in accordance with the requirements of the Statement of Work and to the satisfaction of the Inspection Authority, as submitted, the Inspection Authority will have the right to reject it or require its correction at the sole expense of the Contractor before recommending payment.

Title:
Lawn and landscape maintenance at Fortifications of Québec National Historic Site

1. GENERAL INSTRUCTIONS

1.1. PROJECT INFORMATION

Parks Canada Agency (PCA) project title	Lawn and Landscape Maintenance
Project location	Fortifications of Québec National Historic Site, Quebec City; - Artillery Park (Dauphine Redoute) - Artillery Park (Arsenal Foundry) - Fortifications of Québec (Courtine d'Youville) - Fortifications of Québec (Parc de l'Esplanade) - Fortifications of Québec (Saint-Louis Bastion) - Governors' Garden & Dufferin Terrace - Montmorency Park

1.2. TERMS USED

- 1.2.1. In this Statement of Work, "Agency" and "Parks Canada" refer to Parks Canada Agency, Quebec Field Unit.
- 1.2.2. "Project authority" means the Parks Canada Technical Services Representative or his authorized representative.
- 1.2.3. "Contractor" means the company (including its personnel and agents) chosen to perform the work outlined in these specifications, in accordance with the standards, specifications, work instructions and drawings provided for this purpose.
- 1.2.4. "Scrap" means any waste from the contractor's work or present on the site such as *grass clippings, garbage, rubbish, etc.*) or volatile materials such as petroleum products (*oil, gasoline or other harmful materials*).

1.3. BRIEF DESCRIPTION OF THE WORK

The work covered by this contract consists mainly of, but is not limited to, the landscape maintenance at the Fortifications of Québec National Historic Site of Canada, covering an area

of approximately 30,000 m², including all grassy areas, as shown on the maps in **Appendix I**. These areas are divided into seven (7) zones and a fallow land zone.

1.3.1. Work carried out includes, but is not limited to:

- 1.3.1.1. Spring cleanup;
- 1.3.1.2. Lawn mowing and trimming;
- 1.3.1.3. Lawn aeration;
- 1.3.1.4. Collection of dead leaves;
- 1.3.1.5. Mowing of fallow land.

1.3.2. The contract includes, without limitation, all the work described in the plans and work instructions, as well as the work necessary for the completion of the work, even if not specifically mentioned.

1.4. LOCATION OF THE WORK

1.4.1. The maps in **Appendix I** include seven (7) areas targeted by the present mandate as well as the fallow land area:

- 1.4.1.1. Overall plan;
- 1.4.1.2. Zone 1: Artillery Park (Dauphine Redoute);
- 1.4.1.3. Zone 2: Artillery Park (Arsenal Foundry);
- 1.4.1.4. Zone 3: Fortifications of Québec (Courtine d'Youville);
- 1.4.1.5. Zone 4: Fortifications of Québec (Parc de l'Esplanade);
- 1.4.1.6. Zone 5: Fortifications of Québec (Saint-Louis Bastion);
- 1.4.1.7. Zone 6: Governors' Garden & Dufferin Terrace;
- 1.4.1.8. Zone 7: Montmorency Park;
- 1.4.1.9. Fallow land zone.

1.4.2. The areas of lawns and landscaped grounds shown and located on the maps and work instructions are considered approximate. It is the Contractor's responsibility to verify all relevant information on site in order to take it into consideration in its bid and during the performance of the work.

- 1.4.3. The areas covered by the contract are represented by the hatched areas on the maps in **Appendix I**. The shaded areas in red are not part of the zones where lawn mowing is required by this mandate and are considered excluded from the boundaries of the respective zones for these parts.

1.5. EXAMINATION OF PREMISES

- 1.5.1. The bidders must be familiar with the site, plants and facilities and shall be responsible for obtaining all information necessary for the assessment and performance of the contract. They are expected to visit the site to examine the premises and carefully review all contract documents, asking for clarification as needed. All quantities and dimensions are provided for reference purposes only. The Contractor is responsible for validating the accuracy of this information.
- 1.5.2. The Contractor must make its own assessment of the difficulties to be considered during the performance of the work. The Contractor shall have no recourse against Parks Canada or its representative if the Contractor obtains insufficient or incomplete information or misinterprets any information.

1.6. USE OF THE SITE

- 1.6.1. The Contractor shall perform all work under the Contract in accordance with the provisions of the Canada National Parks Act.
- 1.6.2. The Contractor must comply with all applicable Parks Canada regulations, including, but not limited to, safety and security, environmental protection, parking and traffic control regulations.
- 1.6.3. The Contractor must comply with the 20 km/h speed limit at all times on the site. It is understood that the Contractor will have to reduce its speed below the maximum speed permitted depending on the traffic at the various sites to limit the risk of accidents and ensure, at all times, the safety of site users and employees.
- 1.6.4. All Contractor vehicles must be identified with the Contractor's name.
- 1.6.5. No loaded vehicle, machinery or equipment over the established legal limits in weight or size may travel on roads and engineering structures. In such cases, the Contractor must obtain written authorization and instructions from the project authority. However, no trucks loaded beyond the legal limits will be allowed on the roads or engineering structures.
- 1.6.5.1. The Project Authority may require the reduction of loads and even the complete temporary suspension of transport on roads or engineering structures if he or she

deems that such transport, due to existing unfavourable conditions, may damage any part of the roads or engineering structures.

1.7. SUPERVISION AND SKILLED LABOUR

- 1.7.1. The work supervisor must be equipped with a communication system allowing contact by the Parks Canada Representative at any time during working hours (cell phone). The supervisor shall be authorized to receive, on behalf of the Contractor, orders, instructions or other communications that may be provided under this Contract.
- 1.7.2. The work supervisor must notify Parks Canada of any accident, incident or spill that causes damage or harm to Parks Canada or third-party property. It must also immediately report any injuries caused to site users.
- 1.7.3. The Contractor is responsible for assembling a skilled team to carry out the work. If the Parks Canada project authority deems that the Contractor's supervisor, operator or other representative is not sufficiently qualified to carry out the work or does not behave in an appropriate manner as described in Section 1.8, it may request that it be replaced. In such a case, the Contractor must, to the satisfaction of the project authority, replace the withdrawn representative as soon as possible.

1.8. STAFF WORKING CLOTHES

- 1.8.1. Any employee of the Contractor who is required to work regularly with visitors to the site must be appropriately dressed and have an irreproachable attitude towards the public. It must also be able to address visitors in the official language of their choice.
- 1.8.2. All employees must be identified with the company (shirt or vest with the company logo or name). Working shirtless is not permitted.

1.9. EQUIPMENT AND MATERIALS

- 1.9.1. All equipment used by the Contractor must conform to the type of equipment expected for the contract and be pre-approved by the project authority.
- 1.9.2. The minimum equipment required to carry out grounds maintenance or approved equivalents includes:
 - 1.9.2.1. **Three (3) manual rotary mowers** with a deflector;
 - 1.9.2.2. **One (1) tractor equipped with a rotary mower** with a deflector;
 - 1.9.2.3. **Two (2) gas-powered trimmers** (nylon string trimmer only);

- 1.9.2.4. **Tractor-mounted aerator**, open spoon tines **or core tines**;
- 1.9.2.5. **Portable aerator**, open spoon tines **or core tines**.
- 1.9.3. The tractor with a mower must be equipped with flotation low-pressure tires specifically designed for driving on grassy areas, and must not exceed nine hundred (900) kilograms, unless approved by the project authority.
- 1.9.4. If a piece of equipment differs from the above list, as long as the proposed equipment is equivalent to what is required, Park Canada may still consider it acceptable. Equipment must be in good working order and may be inspected by Parks Canada staff before use.

1.10. SAFETY MEASURES AND ENVIRONMENTAL PROTECTION

- 1.10.1. The Contractor is responsible for the health and safety of its employees. All persons employed by the Contractor must wear personal protective equipment required for the work to be performed, such as: safety boots, safety glasses, hearing protection, etc.
- 1.10.2. The Contractor must carefully review the risks inherent in the various sites and will produce appropriate safety instructions on which it will train its employees. The Contractor is responsible for taking all safety measures in accordance with the highest occupational health and safety standards prescribed by the competent authorities to ensure the protection of its employees, the public and the facilities, and must ensure that they are observed at all times.
- 1.10.3. The Contractor shall not, at any time, violate any laws and regulations, including regulations of the various levels of government and all other applicable regulations in force or any other recognized organization dedicated to environmental protection.
- 1.10.4. The Contractor must carry out all work according to trade practices and the highest standards, especially with respect to good environmental and safety practices.
- 1.10.5. The Contractor must comply with all codes, standards and recommendations in force and applicable within the scope of its mandate. Safety measures for the protection of personnel and equipment, as well as fire prevention measures, must be respected at all times.
- 1.10.6. It is forbidden to dump or evacuate waste (*grass clippings, garbage, etc.*) or volatile materials such as petroleum products (*oil, gasoline or other harmful materials*) into the environment (including, but not limited to, waterways, storm or sanitary sewers or any other place that may harm the environment).
- 1.10.7. Waste materials must be disposed of outside of Parks Canada property in compliance with government regulations and any other applicable regulations. Waste materials also

include, but are not limited to, hazardous materials (liquids and solids) and water containing suspended solids.

1.10.8. **All spills** must be reported to the Agency representative as soon as possible **AND to the Technical and Scientific Support Officer at 418-563-5890;**

1.10.9. When refueling on site, the Contractor must comply with the following procedures:

1.10.9.1. Before arriving on site, ensure that the equipment is properly adjusted, clean and free of contaminants, in good working order, free of leaks (e.g., fuel, oil or grease) and equipped with standard spark arrestors and emission control devices;

1.10.9.2. Store, maintain and refuel machinery on a flat surface, outside tree foliage¹ and permeable areas.

1.10.9.3. Refuel on a waterproof fuel mat, with drip trays under the fuel doors, or inside a container. Leaks and spills caused by refueling must be cleaned up and reported, and contaminated materials must be disposed of appropriately. Never dispose of or deposit fuel in the environment, in a sewer or in a storm drain;

1.10.9.4. Make sure an emergency spill kit, including absorbent materials and berms capable of containing 110% of the largest spill that the work could cause, is available at each location where a spill may occur (areas where equipment is operated and refueling, lubrication and repair points);

1.10.9.5. Report spills immediately to the Parks Canada project authority, the Quebec Field Unit asset manager and the emergency contact person;

1.10.10. The Contractor shall have enough absorbent materials on hand for each piece of equipment that may contain spillable substances, ensuring they are readily available in case of a spill. Absorbent materials can be stored with the equipment if necessary, but must be readily accessible in case of a spill.

1.11. CONTRACTOR'S RESPONSIBILITIES AND COORDINATION

1.11.1. The Contractor shall accept full responsibility for allocating and coordinating the tasks carried out by its workforce and for the equipment required for the work to be carried

¹ The area defined by the circumference of the plant cover, where water drips onto the Use of site and parking.

out properly. The Agency shall not be liable for any damage to the Contractor's equipment or materials or any injury to its staff.

- 1.11.2. The Contractor shall never block entrances or access so as to not impede traffic or block access to buildings and Agency operations.
- 1.11.3. The Contractor shall not dispose of any debris or waste in the surrounding wilderness. The Contractor must immediately remove from the site all debris and waste resulting from the work or related to the mandate, in accordance with the laws, regulations and directives in force and applicable to waste material management.
- 1.11.4. The Contractor's work method must always prioritize site user safety.
- 1.11.5. The Contractor assumes complete liability for any damage or loss to the Agency's property (including buildings, land, etc.) while carrying out its work, whether caused by its personnel, equipment or others. It is the Contractor's responsibility to inform the Agency of any damage observed during the course of the contract.

1.12. WORK SCHEDULE AND CONTRACT TERM

- 1.12.1. All work performed by the Contractor shall be carried out in accordance with the schedule set out in the certificate of work performance submitted in Appendix II or any other date mentioned in these specifications.
- 1.12.2. The Contractor must email the Parks Canada project authority the completed certificate of work performance (**Appendix II**) after each job (cleaning, mowing, etc.), confirming the date on which the work was completed.
- 1.12.3. In the event that the weather makes lawn mowing detrimental (extreme heat and/or drought), the Contractor must contact the technical manager to get advice and recommendations on the situation. Only the project authority can authorize mowing cancellation.
- 1.12.4. Services under this contract are required between April 1 and November 30 of each year covered by this contract.

2. INSTRUCTIONS AND PERFORMANCE OF WORK

2.1. GENERAL

- 2.1.1. This section specifies the lawn care requirements of this mandate and in accordance with **Appendix I**.
- 2.1.2. The Contractor shall expect to clean up, in a particular way, certain areas where regular activities are held. Work involving obstructions is to be carried out at no extra cost and is to be considered an integral part of the mandate.
- 2.1.3. The work shall be done with care to keep the landscaped areas neat and tidy. **It is understood that the grounds must be cleaned up and the lawns must be mowed in hard-to-reach areas.**

2.2. WASTE MANAGEMENT

- 2.2.1. The Contractor must remove all debris, waste and other materials from the site in accordance with Section *1.10. SAFETY MEASURES AND ENVIRONMENTAL PROTECTION* of this document.
 - 2.2.1.1. It is prohibited to leave debris on the site at any time;
 - 2.2.1.2. Due to the fact that plant debris could be a vector for disease, invasive fungi or insects or undesirable plants that could harm the propagation of the land, it must, at all times, be disposed of in a duly authorized facility. Proof of disposal may be requested if required. The Contractor remains responsible for disposing of this debris.

2.3. SPRING CLEANUP

- 2.3.1. Perform spring clean-up as soon as weather and site conditions permit and complete it no later than **MAY 15** of each year of this contract on all areas covered in Section 1.4 *Location of the work*.
- 2.3.2. Spring cleaning includes, but is not limited to;
 - 2.3.2.1. Removing all debris and litter from all areas covered by the Contract;
 - 2.3.2.2. Raking, mechanical sweeping and removal of sand, stones, paper, rubbish, tree branches and leaves and all other refuse from all surfaces.

2.4. LAWN MOWING AND TRIMMING ($\pm 30,000 M^2$ – ZONES 1 TO 7) AND MAINTENANCE OF PAVED AREAS

- 2.4.1. The Contractor must continue to work at the scheduled frequency for the remainder of the growing season. The work must be uninterrupted and completed within the established five (5) working days, namely **Monday to Friday**. The term “cut” refers to all the work listed in Section 2.4.
- 2.4.2. Unless otherwise specified, the grass must be mowed to measure between six (6) centimetres and seven (7) centimetres in height.
- 2.4.3. **The frequency is fourteen (14) cuts per year, broken down as follows:**
 - 1 cut in MAY**
 - 3 cuts in JUNE**
 - 3 cuts in JULY**
 - 3 cuts in AUGUST**
 - 2 cuts in SEPTEMBER**
 - 2 cuts in OCTOBER**
- 2.4.3.1. This schedule is subject to change depending on weather conditions or operational requirements. Upon notice from Parks Canada, this schedule may be modified without changing the lump sum cost.
- 2.4.4. Clean up all lawns before each mow, including removal of garbage and litter such as rocks, paper, bottles, tree branches, etc.
- 2.4.5. No visible windrows must be left on lawn surfaces.
- 2.4.6. Sweep up and remove any accumulation of mowed grass that is obstructing asphalt or concrete areas, areas covered with stone screenings, flower beds or fallow, riprap and other surfaces. Mowed grass must not be thrown onto walls, structures, street furniture or other objects.

- 2.4.7. For each instance of mowing or as needed, all mower blades must be adjusted and sharpened to ensure a clean cut at all times and a cut at the recommended height. The Contractor must carry out regular checks.
- 2.4.8. Lawns should not be mowed on rainy days and/or when the ground is wet.
- 2.4.9. When mowing the lawns, the grass must also be trimmed to the specified height in the following areas: fences, trees, shrubs, structures, buildings, benches, picnic tables, garbage cans, bicycle racks, poles, lampposts and any other obstacle on the site, as well as on slopes inaccessible to a mower.
- 2.4.9.1. This work must be carried out using a gas-powered trimmer (with nylon string only).
- 2.4.10. Should mowing the lawns hinder visitor movement or cause obstructions of any kind, the Contractor must suspend operations or direct them to another area. The Contractor must maintain all the areas specified in its mandate and adjust its work method to deal with occasional obstructions.
- 2.4.11. When mowing the lawns, the Contractor must consider the number of visitors that are on the site at any given time, and no additional claims can be accepted by Parks Canada as a result of site visitation.
- 2.4.12. At all times while mowing, the Contractor must take public safety into consideration by reducing speed and directing the projection in a safe manner for site users.
- 2.4.13. Optionally, and at Parks Canada's request, the Contractor may be called upon to perform additional mowing and lawn trimming (partial or full) in accordance with Section 2.4 of this document and through a work authorization (WA);
- 2.4.13.1. See Section 2.8. *Work authorizations (additional work)*.

2.5. LAWN AERATION ($\pm 19,500 M^2 - \pm 65\%$ OF THE MOWED AREA)

- 2.5.1. Aeration is only required on mowed surfaces.
- 2.5.2. Aeration is not required on steep slopes **and on the lawn surface that covers the old underground reservoir**. The expected total aeration area is adjusted accordingly, and represents around 65% of the total mowed area.
- 2.5.2.1. **See Section 2.9. Access limitation and load-bearing capacity for the location to the old underground reservoir.**
- 2.5.3. The Contractor must obtain approval from the Parks Canada Project Authority before proceeding with lawn aeration.

2.5.4. **Lawn aeration must be performed one (1) time per year and must be completed by:**

- **Late SEPTEMBER/early OCTOBER**

2.5.5. Lawns must be aerated using the following mechanized equipment or approved equivalents:

2.5.5.1. **Tractor-mounted aerator**, open spoon tines **or core tines**;

2.5.5.2. **Portable aerator**, open spoon tines **or core tines**;

2.5.6. Aeration must be carried out every fifteen (15) centimetres in both directions and must be eight (8) to thirteen (13) centimetres in depth.

2.6. LEAF COLLECTION (*ONGOING IN AUTUMN*)

2.6.1. Collect and dispose of dead leaves from trees, shrubs and bushes up to park boundaries, including non-grassy areas. (Shaded areas on identification maps).

2.6.2. **Leaves must be collected as they fall and removed from the site by the Contractor.**

2.6.3. Scrap that has disease or insects harmful to trees must be managed according to the measures recommended by government control agencies for these diseases or insects (e.g. anthracnose and twig blight), in accordance with Section *1.10 SAFETY MEASURES AND ENVIRONMENTAL PROTECTION* of this document.

2.7. MOWING OF FALLOW LAND ($\pm 2,000 M^2$)

2.7.1. Cut the grass to a height of nine (9) to ten (10) centimetres.

2.7.2. **Fallow land mowing must be performed two (2) times per year and must be completed for:**

- **The last week of JUNE**
- **The last week of AUGUST**

2.7.3. Approved equipment that can be used is:

2.7.3.1. Motorized nylon string trimmers or other suitable equipment approved by the project authority.

2.8. WORK AUTHORIZATION (*ADDITIONAL WORK*)

2.8.1. Work authorizations may be given to the Contractor throughout the contract for additional lawn care and landscaping work. Additional work must be authorized in writing

by the Parks Canada project authority. No minimum amount of work is guaranteed. Supporting documents may be requested.

2.8.1.1. In this case, the Contractor must wait for receipt and approval of the work authorization by Parks Canada before starting any additional work related to it.

2.8.2. The Contractor may be required to perform additional work through a work authorization for the following work;

- **Lawn mowing at Artillery Park (Dauphine Redoute Zone 1);**
- **Lawn mowing in Artillery Park (Arsenal Foundry Zone 2);**
- **Additional mowing of the entire site.**

2.9. ACCESS LIMITATION AND LOAD-BEARING CAPACITY

2.9.1. **For the work carried out in the Zone 4 Fortifications of Québec (Parc de l'Esplanade), the Contractor must take into account the following specifications;**

2.9.1.1. **At the corner of d'Auteuil and Dauphine streets is an old underground reservoir measuring approximately 10 meters by 12,8 meters. The roof slab is constructed of reinforced concrete and the tank cavity is approximately 6,1 meters deep. From the outside, the slab is covered with a layer of lawn approximately 150 millimeters thick and it's maintenance is an integral part of this mandate.**

2.9.1.2. **The bearing capacity of the underground tank roof slab on this area are limited, no machinery and/or vehicles can be used to carry out maintenance to area or access.**

2.9.1.3. **Aeration of the lawn covering the tank is not required.**

2.9.1.4. **Location of the reservoir area;**

ANNEX B

BASIS OF PAYMENT

Financial Bid Submission Requirements

- (a) Bidder must submit its financial bid in accordance with this Basis of Payment.
- (b) The bid must be submitted in Canadian dollars, Applicable Taxes excluded, FOB destination, Canadian customs duties and excise taxes included.
- (c) Total Combined Evaluated Estimated Bid Price Calculation:
- For the purposes of evaluation, the evaluated bid price will be comprised of the combined total of Table A through Table F.
 - To be considered compliant, the bidder must enter an amount in each of the boxes in the breakdown tables (sections A to F) for each year and in the condensed table in section G.

A. Contract Period – Year 1 - April 1, 2024 to March 31, 2025

A1. Required Services – Firm Unit Prices

In consideration of the Contractor completing all of its obligations under the Contract, the Contractor will be paid firm unit price(s) in Canadian funds for all costs, including but not limited to all professional, technical, and administrative fees and costs as required to fulfill the requirements of *Annex A – Statement of Work* as defined.

Item No.	Description	Unit of Measurement	Firm Unit Price (a)	Estimated Quantity (b)	Extended Total = a x b
Required Services from April 1, 2024 to November, 2024					
A1.1	Spring cleanup	By service	\$	1	\$
A1.2	Lawn mowing and trimming (± 30,000 m ²)	By service	\$	14	\$
A1.3	Lawn aeration (± 30,000 m ²)	By service	\$	1	\$
A1.4	Collection of dead leaves (ongoing)	Lump sum			\$
A1.5	Mowing of fallow land	By service	\$	2	\$

ANNEX C

INSURANCE REQUIREMENTS – Commercial General Liability Insurance

1. The Contractor must obtain Commercial General Liability Insurance and maintain it in force throughout the duration of the Contract, in an amount usual for a contract of this nature, but for not less than \$2,000,000 per accident or occurrence and in the annual aggregate.
2. The Commercial General Liability policy must include the following:
 - a. Additional Insured: Canada is added as an additional insured, but only with respect to liability arising out of the Contractor's performance of the Contract. The interest of Canada should read as follows: Canada, as represented by Parks Canada Agency.
 - b. Bodily Injury and Property Damage to third parties arising out of the operations of the Contractor.
 - c. Products and Completed Operations: Coverage for bodily injury or property damage arising out of goods or products manufactured, sold, handled, or distributed by the Contractor and/or arising out of operations that have been completed by the Contractor.
 - d. Personal Injury: While not limited to, the coverage must include Violation of Privacy, Libel and Slander, False Arrest, Detention or Imprisonment and Defamation of Character.
 - e. Cross Liability/Separation of Insureds: Without increasing the limit of liability, the policy must protect all insured parties to the full extent of coverage provided. Further, the policy must apply to each Insured in the same manner and to the same extent as if a separate policy had been issued to each.
 - f. Blanket Contractual Liability: The policy must, on a blanket basis or by specific reference to the Contract, extend to assumed liabilities with respect to contractual provisions.
 - g. Employees and, if applicable, Volunteers must be included as Additional Insured.
 - h. Employers' Liability (or confirmation that all employees are covered by Worker's compensation (WSIB) or similar program)
 - i. Broad Form Property Damage including Completed Operations: Expands the Property Damage coverage to include certain losses that would otherwise be excluded by the standard care, custody or control exclusion found in a standard policy.
 - j. Notice of Cancellation: The Contractor will provide the Contracting Authority thirty (30) days prior written notice of policy cancellation or any changes to the insurance policy.
 - k. If the policy is written on a claims-made basis, coverage must be in place for a period of at least 12 months after the completion or termination of the Contract.
 - l. Owners' or Contractors' Protective Liability: Covers the damages that the Contractor becomes legally obligated to pay arising out of the operations of a subcontractor.
 - q. Sudden and Accidental Pollution Liability (minimum 120 hours): To protect the Contractor for liabilities arising from damages caused by accidental pollution incidents.

ANNEX D

ATTESTATION AND PROOF OF COMPLIANCE WITH OCCUPATIONAL HEALTH AND SAFETY (OHS)

*** to be completed after contract award ***

The following form must be completed and signed prior to commencing work on Parks Canada Sites.

Submission of this completed form, satisfactory to Parks Canada, is a condition of gaining access to the work place.

Parks Canada recognizes that federal OHS legislation places certain specific responsibilities upon Parks Canada as owner of the work place. In order to meet those responsibilities, Parks Canada is implementing a contractor safety regime that will ensure that roles and responsibilities assigned under Part II of the Canada Labour Code and the Canada Occupational Health and Safety Regulations are implemented and observed when involving contractor(s) to undertake works in Parks Canada work places.

Mark "Yes" where applicable.

	A meeting has been held to discuss hazards and access to the work place and all known and foreseeable hazards have been identified to the contractor and/or subcontractor(s)
	The contractor and/or its subcontractor(s) will comply with all federal and provincial/territorial legislation and Parks Canada's policies and procedures, regarding occupational health and safety.
	The contractor and/or its subcontractor(s) will provide all prescribed safety materials, equipment, devices and clothing.
	The contractor and/or its subcontractor(s) will ensure that its employees are familiar with and use all prescribed safety materials, equipment, devices and clothing at all times.
	The contractor and/or its subcontractor(s) will ensure that its activities do not endanger the health and safety of Parks Canada employees.
	The contractor and/or its subcontractor(s) has inspected the site and has carried out a hazard assessment and has put in place a health and safety plan and informed its employees accordingly, prior to the commencement of the work.
	Where a contractor and/or its subcontractor(s) will be storing, handling or using hazardous substances in the work place, it will place warning signs at access points warning persons of the presence of the substances and any precautions to be taken to prevent or reduce any hazard of injury or death.
	The contractor and/or its subcontractor(s) will ensure that its employees are instructed in respect of any emergency procedures applicable to the site.

I, _____ (*contractor*), certify that I have read, understood and attest that my firm, employees and all sub-contractors will comply with the requirements set out in this document and the terms and conditions of the contract.

ANNEX E TO PART 5 OF THE BID SOLICITATION

LIST OF NAMES FOR INTEGRITY VERIFICATION FORM

Requirements

Section 17 of the [Ineligibility and Suspension Policy](#) (the Policy) requires suppliers, regardless of their status under the Policy, to submit a list of names when participating in a procurement process. The required list differs depending on the Bidder's or Offeror's organizational structure:

- Suppliers including those bidding as joint ventures, whether incorporated or not, must provide a complete list of the names of all current directors.
- Privately owned corporations must provide a list of the owners' names.
- Suppliers bidding as sole proprietors, including sole proprietors bidding as joint ventures, whether incorporated or not, must provide a complete list of the names of all owners.
- Suppliers that are a partnership do not need to provide a list of names.

Suppliers may use this form to provide the required list of names with their bid or offer submission. Failure to submit this information with a bid or offer, where required, will render a bid or offer non-responsive, or the supplier otherwise disqualified for award of a contract or real property agreement. Please refer to [Information Bulletin: Required information to submit a bid or offer](#) for additional details.

ANNEX F TO PART 5 OF THE BID SOLICITATION

FORMER PUBLIC SERVANT

Contracts awarded to former public servants (FPS) in receipt of a pension or of a lump sum payment must bear the closest public scrutiny, and reflect fairness in the spending of public funds. In order to comply with Treasury Board policies and directives on contracts awarded to FPSs, bidders must provide the information required below before contract award. If the answer to the questions and, as applicable the information required have not been received by the time the evaluation of bids is completed, Canada will inform the Bidder of a time frame within which to provide the information. Failure to comply with Canada's request and meet the requirement within the prescribed time frame will render the bid non-responsive.

Definitions

For the purposes of this clause,

"former public servant" is any former member of a department as defined in the [Financial Administration Act](#), R.S., 1985, c.. F-11, a former member of the Canadian Armed Forces or a former member of the Royal Canadian Mounted Police. A former public servant may be:

- (a) an individual;
- (b) an individual who has incorporated;
- (c) a partnership made of former public servants; or
- (d) a sole proprietorship or entity where the affected individual has a controlling or major interest in the entity.

"lump sum payment period" means the period measured in weeks of salary, for which payment has been made to facilitate the transition to retirement or to other employment as a result of the implementation of various programs to reduce the size of the Public Service. The lump sum payment period does not include the period of severance pay, which is measured in a like manner.

"pension" means a pension or annual allowance paid under the [Public Service Superannuation Act](#) (PSSA), R.S., 1985, c. P-36, and any increases paid pursuant to the [Supplementary Retirement Benefits Act](#), R.S., 1985, c. S-24 as it affects the PSSA. It does not include pensions payable pursuant to the [Canadian Forces Superannuation Act](#), R.S., 1985, c. C-17, the [Defence Services Pension Continuation Act](#), 1970, c. D-3, the [Royal Canadian Mounted Police Pension Continuation Act](#), 1970, c. R-10, and the [Royal Canadian Mounted Police Superannuation Act](#), R.S., 1985, c. R-11, the [Members of Parliament Retiring Allowances Act](#), R.S., 1985, c. M-5, and that portion of pension payable to the [Canada Pension Plan Act](#), R.S., 1985, c. C-8.

Title:
Lawn and landscape maintenance at Fortifications of Québec National Historic Site

Former Public Servant in Receipt of a Pension

As per the above definitions, is the Bidder a FPS in receipt of a pension? **Yes** () **No** ()

If so, the Bidder must provide the following information, for all FPS in receipt of a pension, as applicable:

- (a) name of former public servant;
- (b) date of termination of employment or retirement from the Public Service.

By providing this information, Bidders agree that the successful Bidder's status, with respect to being a former public servant in receipt of a pension, will be reported on departmental websites as part of the published proactive disclosure reports in accordance with [Contracting Policy Notice: 2019-1](#) and the [Guidelines on the Proactive Disclosure of Contracts](#).

Work Force Adjustment Directive

Is the Bidder a FPS who received a lump sum payment pursuant to the terms of the Work Force Adjustment Directive? **Yes** () **No** ()

If so, the Bidder must provide the following information:

- (a) name of former public servant;
- (b) conditions of the lump sum payment incentive;
- (c) date of termination of employment;
- (d) amount of lump sum payment;
- (e) rate of pay on which lump sum payment is based;
- (f) period of lump sum payment including start date, end date and number of weeks;
- (g)** number and amount (professional fees) of other contracts subject to the restrictions of a work force
