This amendment is raised to address the following questions and affect the following changes:

Question #3: My question is about the following line of the **Services contract** section of Annex A:

- Installation, **function test** needs to be performed after reception, not later than 30 labor days.

Is “function test” an IQOQ service? If not, could you please clarify what the function test includes?

Answer #3: See the following changes below

Change #1:

DELETED: “• Installation, function test needs to be performed after reception, not later than 30 labor days.” under Subtitle Services contract IN ANNEX A

INSERT:

“• Installation, function test (A service report or document saying that the equipment is fully functional and meet all the specifications after the installation should be provided) needs to be performed after reception, not later than 30 labor days.” under Subtitle Services contract IN ANNEX A

Question #4: At time of delivery, will the NRC’s staff take care of moving the goods from the loading dock to the lab where they are to be installed?

Answer #4: See the following changes below

Change #1:

INSERT: “• NRC will handle delivery from delivery site to installation site” under **Subtitle Services contract** IN ANNEX A
