**This document consists of:**

- A. Questions & Answers**
  - B. Amendment to the RFP**
- 

**A. Questions & Answers**

**Q1. In the RFP on page 43, it states the following:**

**“.5 The primary work surface must be continuously height adjustable by the user and be designed to support seated or standing computer work.**

**.1 when the primary work surface is intended to serve as the input device support surface for computer work, the surface must be adjustable from 610 mm (24 in.) or less up to 1168 mm (46 in.) or more, measured from the top of the work surface to the floor.”**

**The question is whether a 20 inch stroke is acceptable?**

A1. Where “stroke” refers to the total range of adjustment, this would not be compliant with the requirements, which are based on a 22 inch stroke. Bidders are reminded that stroke is one aspect of the requirement subject to confirmation of compliance, and the other is the specific range of adjustment.

**Q2. In the RFP on page 43, it states the following:**

**“.1 heavy-duty modular steel frames of sizes indicated below, complete with full-length painted steel foot-rest bar and full-length horizontal reinforcing back panel;”**

**Our substructure provides this, making this support unnecessary, is this acceptable?**

A2. Yes, this is acceptable as long as the design meets all other safety and durability requirements and testing. The CRA will issue a small amendment to this area to make this criterion more clear; please reference Amendment #1 below for this change.

**B. Amendment to the RFP**

**Amend 1:** Under Annex A-1: Product Requirements of Annex A: Statement of Work, located in section 2. Product Required – Technical Bench System, sub-section .2 Lower Bench frames, located on page 43 of 47:

**DELETE the following:**

.1 heavy-duty modular steel frames of sizes indicated below, complete with full-length painted steel foot-rest bar and full-length horizontal reinforcing back panel;

**INSERT the following:**

.1 heavy-duty modular steel frames of sizes indicated below;

**ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME**
