Description of Work:

IMTD requires additional resources to assist with the delivery and support of existing and upcoming projects leveraging various technologies. These resources will supplement existing staff to ensure that new and existing IM/IT projects adhere to the established project management and delivery processes that have been developed to provide for the efficient and effective management and delivery of IM/IT products or services to TBS clients. Bidders must submit a bid for the identified resource categories. In the last 12 months, similar services have not been provided.

Under this new solicitation, evaluations will be conducted with fairness in accordance with the evaluation criteria and selection methodology defined in the RFP.

Security Requirement:	Common PS SRCL #34 applies
Minimum Corporate Security Required:	Secret
Minimum Proposed Resources Security Required:	Secret
