IMPORTANT NOTICE TO BIDDERS

TWO PHASE SELECTION PROCESS

This is the first phase (Phase 1) of a two-phase competition: the first phase will evaluate the qualifications of all bidders; second phase (Phase 2) will invite the qualified bidders to provide a financial bid on the project based on the specifications and drawings. Upon award of contract in Phase Two the pre-qualification list will be terminated, no additional contracts will be awarded.

DEBRIEFING

Should a bidder desire a debriefing, the bidder should contact the person identified on the front page of the Request for Qualifications within 15 working days of the notification of the results of the solicitation. The debriefing will include an outline of the strengths and weaknesses of the submission, referring to the evaluation criteria. The confidentiality of information relating to other submissions will be protected. The debriefing may be provided in writing, by telephone or in person.

BID CHALLENGE AND RECOURSE MECHANISMS

- (a) Several mechanisms are available to potential suppliers to challenge aspects of the procurement process up to and including contract award.
- (b) Canada encourages suppliers to first bring their concerns to the attention of the Contracting Authority. Canada's [Buy and Sell](#) website, under the heading "[Bid Challenge and Recourse Mechanisms](#)" contains information on potential complaint bodies such as:
 - Office of the Procurement Ombudsman (OPO)
 - Canadian International Trade Tribunal (CITT)

The Office of the Procurement Ombudsman (OPO) was established by the Government of Canada to provide an impartial, independent venue for Canadian bidders to raise complaints regarding the award of certain federal contracts under \$30,300 for goods and \$121,200 for services. If you have concerns regarding the award of a federal contract below these dollar amounts, you may contact OPO by e-mail at boa.opo@boa-opo.gc.ca, by telephone at 1-866-734-5169, or by web at www.opo-boa.gc.ca.

- (c) Suppliers should note that there are **strict deadlines** for filing complaints, and the time periods vary depending on the complaint body in question. Suppliers should therefore act quickly when they want to challenge any aspect of the procurement process.

LIST OF PRE-QUALIFIED BIDDERS

A list of pre-qualified bidders from Phase 1 will not be released. Contract award notice of the successful bidder of Phase Two will be posted on [CanadaBuys](#).

If any addendum(s) are not acknowledged as requested, the Contracting Authority will inform the Bidder of a time frame within which to provide the information. This review does not constitute an evaluation of the content, will not assess whether the Bid meets any standard or is responsive to all solicitation requirements, but will be solely limited to assessing completeness. Canada will provide the Bidder with the opportunity to submit information found to be missing or incomplete in this review within two business days of notice.
