AMENDMENT 001

Amendment 001 is raised to answer the questions below and revise **ATTACHMENT 1 to ANNEX A – UNIT PRICE FORM**.

QUESTION 1:

Regarding the travel costs for the Nunatsiavut contract. If the successful applicant is traveling from Goose Bay to the coast area via flight or ferry, is there a minimum call out number of hours per piece of work?

ANSWER 1:

There is no minimum call out number of hours.

QUESTION 2:

How can we build the travel rates into the contract if the individual projects could be 16 hours or 40 hours? Or should we just do our best to estimate how many flights will be required in a year period, and allow for that in our labor as best we can? Your estimate includes 2,740 hours per year. Will this be 10 potential projects or 50?

ANSWER 2:

Please see **ATTACHMENT 1 to ANNEX A – UNIT PRICE FORM (Revised)**
