

## **Notice of Proposed Procurement (NPP)**

**Title:** Reception, monitoring, security and maintenance at the Lake Saint-François National Wildlife Area, 2024-26.

**Solicitation Number:** 5000079142

**UNSPSC:** 70111700, 72101500, 92121701

---

### **Description:**

#### **1. Summary**

Environment and Climate Change Canada (ECCC) has a need to obtain services to ensure the ongoing operations of the Lake Saint-François National Wildlife Area (LSF NWA) and adjacent lands managed by ECCC. Specific objectives include visitor reception, facility, and land maintenance, site monitoring and public safety.

Basis of Selection - Lowest Evaluated Price.

A maximum of one (1) contract will be awarded.

The period of the contract is from contract award to 31 March 2026.

#### **2. Security**

There is a security requirement associated with this solicitation at the Reliability level.

#### **3. Integrity Provisions**

Bidders must provide a list of names, or other related information as needed, pursuant to section 01 Integrity Provisions of Standard Instructions 2003.

#### **4. Service Requirements**

For services requirements, bidders in receipt of a pension or a lump sum payment must provide the required information as detailed in article 2.3 of Part 2 of the bid solicitation.

#### **5. Trade Agreements**

The requirement is subject to the provisions of the Canadian Free Trade Agreement (CFTA).

#### **6. Social Procurement**

Environment and Climate Change Canada supports the Government of Canada's social and economic objectives, including increasing the participation of businesses from under-represented groups in government procurement opportunities. As such, bidders owned or led by Canadians from under-represented groups, such as women, LGBTQ2+ persons, persons with disabilities and persons from visible minorities are encouraged to submit a bid to this opportunity.

## **7. Debriefings**

Bidders may request a debriefing on the results of the bid solicitation process. Bidders should make the request to the Contracting Authority within 15 working days from receipt of the results of the bid solicitation process. The debriefing may be in writing, by telephone or in person.

## **8. Official Languages**

Environment and Climate Change Canada provides procurement services in both official languages. Bidders may submit a bid in the official language of their choice.

## **9. Additional Information**

For additional information, interested suppliers must contact the Contracting Officer named in this Notice.
