2 STAGE SELECTION PROCESS

IMPORTANT NOTICE TO BIDDERS

TWO STAGE SELECTION PROCESS

This is the first stage (Stage one) of a two-stage competition: the first stage will evaluate the qualifications of all bidders; second stage (Stage two) will invite the qualified bidders to provide further qualifications and a financial bid on the project based on the specifications and drawings. Upon award of contract in Stage Two the pre-qualification list will expire and will not be used in any other solicitation. The qualification list will expire within 180 days or upon award of a contract in Stage Two, whichever is earlier, and the prequalification list will not be used in any other solicitation.

LIST OF PRE-QUALIFIED BIDDERS:

A list of pre-qualified bidders from Stage One will not be released. Contract award notice of the successful bidder of Stage Two will be posted on canadabuys.canada.ca

BIDS RECEIVED BY FAX AND EMAIL WILL BE ACCEPTED AS OFFICIAL.

BIDS RECEIVED IN-PERSON OR BY COURIER WILL NOT BE ACCEPTED.

The only acceptable email address for responses to bid solicitations is soumissionsami-bidsrpc@pc.gc.ca. Bids submitted by email directly to the Contracting Authority or to any email address other than soumissionsami-bidsrpc@pc.gc.ca will not be accepted.

The only acceptable facsimile for responses to bid solicitations is 1-855-983-1808.

The maximum email file size that Parks Canada is capable of receiving is 15 megabytes. The Bidder is responsible for any failure attributable to the transmission or receipt of the emailed bid due to file size.

The Bidder should be cognisant of the size of the email as a whole, and not only the attachments. Please take into consideration that some attachments, when sent, may be resized during the email transfer. If the email size is too large, the Bidder should send the bid in multiple emails properly labeled with the solicitation number, project name, and indicate how many emails are included (ex. 1 of 2).

Emails with links to bid documents will not be accepted. Bid documents must be sent as email attachments.

DIRECT DEPOSIT

The Government of Canada has replaced cheques with direct deposit payment(s), an electronic transfer of funds deposited directly into a bank account. New vendors who are awarded a contract will be required to register their direct deposit information with Parks Canada to receive payment.

Additional information on this Government of Canada initiative is available at:

<http://www.directdeposit.gc.ca>

SPECIAL INSTRUCTIONS TO BIDDERS (SI)

TWO STAGE SELECTION PROCESS

This is a two stage selection process. Bidders responding to this selection process are requested to submit a bid in two stage. Stage One bid covers only the qualifications and experience of the Bidder.

Following the evaluation of the submissions, Bidders will be advised of their qualification result and the status of the tender. Stage Two Bidders will be provided an INVITATION TO TENDER (ITT) for further qualification and the financial evaluation in relation to the specifications and drawings. Please refer to sample ITT attached (Appendix 2). Please note that the ITT used in Stage 2 of this process will be a Two-Envelope ITT with an Indigenous Participation Plan (IPP) and price evaluation component. The attached sample is only being provided for bidders to reference the General Conditions.

ENQUIRIES DURING THE SOLICITATION PERIOD

1. Enquiries regarding this bid must be submitted in writing to the Contracting Officer named on the Invitation to Tender - Page 1 at e-mail address kenneth.lacanilao@pc.gc.ca. Enquiries should be received no later than five (5) business days prior to the date set for solicitation closing to allow sufficient time to provide a response. Enquiries received after that time may result in an answer NOT being provided.
2. To ensure consistency and quality of the information provided to Bidders, PCA will examine the content of the enquiry and will decide whether or not to issue an amendment.
3. All enquiries and other communications related to this bid sent throughout the solicitation period must be directed ONLY to the Contracting Authority named in paragraph 1. above. Failure to comply with this requirement may result in the bid being declared non-compliant.

STAGE 1

Appendix 1 – Stage One Qualification Requirements must be submitted **ONLY** to the PCA Bid Receiving Unit by the date, time and place indicated on page 1 of the Invitation to Qualify. The PCA will not assume responsibility for submissions directed to any other location.

Submissions received by fax and email will be accepted as official and must meet the following requirements:

- a. Must satisfy Appendix 1 - Stage One Qualification Requirements and should include the completed front page of the Request for Qualifications.
- b. Must indicate:
 - Solicitation number
 - Name of Bidder

The first page of all amendment(s) that have been duly signed/initialed verifying proof of receipt or written acknowledgement of receipt of amendments should be submitted with the bid but may be submitted afterwards. If any amendment(s) are not acknowledged as requested, the Contracting Authority will inform the Bidder of a time frame within which to provide the information. Failure to provide the documentation within the time frame specified will render the bid non-responsive.

COMPLETION OF SUBMISSION

The Bidder shall base the submission on the applicable documents listed in the Special Instructions to Bidders. It is the responsibility of the Bidder to obtain clarification on any terms, conditions or technical requirements contained in this document.

DEBRIEFINGS

After contract award, bidders may request a debriefing on the results of the bid solicitation process. Bidders should make the request to the Contracting Authority within fifteen (15) working days of receipt of the results of the bid solicitation process. The debriefing may be in writing or by telephone.

APPENDIX 1 – STAGE ONE QUALIFICATION REQUIREMENTS

DESCRIPTION:

Parks Canada requires repairs to portions of the Main Pier on Clear Lake in Riding Mountain National Park including:

- Widening the grassed area by approximately 2 m beyond the existing trees by restoring the eroded section along the west side, extending back into the lake, and positively grading to drain water towards the west, and away from the pier deck.
- Raising the existing rip rap crest height and creating a 4H:1V slope to protect the pier against wave overtopping and erosion.
- Increasing the rip rap layer thickness and adding a layer of filter rock to provide enough room for the wave action to dissipate prior to reaching the grassed area and existing trees.
- Making specified spot repairs to select broken timber aprons & sills, and deteriorated tops of timber piles along the length of the wharf and viewing area.
- Replacing the plywood backwall of the buried west wall where required to prevent further erosion and loss of materials.

Contract completion is anticipated by the end of March 31, 2025.

Bidder Instructions: The Bidder is requested to respond to the Stage One Evaluation Criteria using the tables below.

BASIS OF SELECTION:

A submission must comply with the mandatory requirements to be declared responsive in Stage One.

MANDATORY REQUIREMENTS:

At Stage One bid closing time, the Bidder must:

- a) comply with the following Mandatory Requirements; and
- b) provide the necessary documentation to support compliance.

All Mandatory requirements should be completed and submitted prior to closing with sufficient detail to demonstrate compliance. Failure to demonstrate compliance with all mandatory requirements via the original submission, may result in the submission being deemed non-responsive. At any time in the evaluation stage should PCA officials identify any minor irregularities or omissions the Contract Authority may inform the proponent of a time frame within which to provide a clarification or missing information. Failure to comply with the request of the Contracting Authority within the time frame provided will render the submission non-responsive.

M1: Achievements of Bidder and identified Key Sub contractors on water infrastructure asset rehabilitation projects

Select **two (2)** reference projects undertaken by the Bidder within the last 5 years for each **mandatory** requirement. A response to each **mandatory requirement** is required. Only the first two (2) projects listed for each, in sequence, will receive consideration and any others will not receive consideration.

The same projects can be used for multiple mandatory requirements providing each response is relevant to the requirement.

The evidence provided by the bidder may be verified. PCA reserves the right to verify information for completeness and accuracy and to confirm reference satisfaction with services provided.

Bidders are requested to indicate (Yes/No) in the right column below, however simply stating Yes is not sufficient. The Bidder must provide substantiation as outlined in the mandatory requirements.

#	Mandatory Requirements	Met (Yes/No)
M1	<p>By the closing date of this pre-qualification, the Bidder must have substantially completed two (2) in water infrastructure asset rehabilitation projects in the last five (5) years with a significant focus on timber framed elements as well as erosion protection.</p> <p>The projects preferably but need not necessarily have been in the public sector (i.e. work completed for a federal, provincial/territorial or municipal government client).</p> <p>For at least 1 (one) of the project examples, the Bidder must have been the Prime Contractor and not have been retained to complete the work under sub-contract.</p> <p>The component of the project completed by the bidder related to major culvert construction must have been at least \$250,000 in value (excluding taxes).</p> <p>The bidder must provide a client reference (name of client, name of client representative and their position, contact information) for each project. The client references will be used for fact verification only.</p> <p>Note: The Bidder must provide substantiation of above Mandatory Requirement using Project 1 and Project 2 Tables below (use extra pages if necessary).</p>	

PROJECT 1:	Met (Yes/No)
Project Title:	
Project Location:	
Was the Bidder the Prime Contractor for this project? ____ Yes or ____ No	
Client (Owner or General Contractor if sub-contract):	
Project Start Date(YYYY/MM/DD):	Project Substantial Completion Date (YYYY/MM/DD):
Was this project substantially completed in the past 5 years? ____ Yes or ____ No	
Was this an in water infrastructure asset rehabilitation project with a significant focus on the repair of timber framed elements and erosion protection? ____ Yes or ____ No	
<p>Provide a client reference. This can be an Owner's or Owner's Representative's name, email and phone number for authentication/verification of information presented. Where the work was done under sub-contract, the contact information for the General (Prime) Contractor is acceptable.</p> <p>Name:</p> <p>Email:</p> <p>Phone #:</p>	
Cost of project work related to major culvert construction \$ _____	

(must be at least \$250,000 excluding taxes)	
Briefly describe the project (i.e.: cost, scope, size, distinguishing characteristics, etc.)	

PROJECT 2:	Met (Yes/No)
Project Title:	
Project Location:	
Was the Bidder the Prime Contractor for this project? ____ Yes or ____ No	
Client (Owner or General Contractor if sub-contract):
