

The Royal Canadian Mounted Police (RCMP) has a requirement for Astro Digital Video Generator and components for delivery to the RCMP D Division Winnipeg, Manitoba. This requirement is open only to those invited supply arrangement holders under the supply arrangement: **E60HN—16ELEC/XXX/HN** qualified under Stream 2, Category 3.51 for Western Region (R5).

All the deliverables should be received on or before 2024-06-28

Basis of selection: As per supply Arrangement terms and conditions.

Documents may be submitted in either official language of Canada.

The RCMP has adopted the Integrity Regime administered by Public Services and Procurement Canada. As a result, the integrity provisions are being applied in RCMP contracting activities as outlined in the supply arrangement terms and conditions.

The following SA holders have been invited to submit a proposal.
