

**RFB 1000033569
AMENDMENT 001**

Questions & Answers:

Question 1a	Category 6 should be evaluated and awarded separately as per the SA Guidelines. Will an amendment to the bid sheet be submitted to all for bid submission for this category only?
Question 1b	Will all categories be awarded together, or will there be separate awards for each category identified in the RFB?
Answer (for 1a and 1b)	<p>Categories have been separated to allow for service providers to bid on individual categories. Bid sheets have been created for each group identified below.</p> <p>Categories 1, 2 and 5 have been combined and must be bid on together as per the Combined Categories Rule of the SA.</p> <p>Category 3 has been separated, combined with the Non-SA and can be bid on separately from all other categories.</p> <p>Category 6 has been separated and can be bid on separately from all other categories.</p>
Question 2	Would a combination of a 36" panel + an 18" panel be acceptable instead of a full 54" wide panel?
Answer 2	This is acceptable
