Infrastructure Canada (INFC) is requesting proposals for business support services that are essential for designing, developing, testing and deploying a system that meets the needs and expectations of the stakeholders. The proposal must set out the means by which the technical, performance, time and other goals and objectives will be met. One (1) contract will be awarded as a result of the evaluation of the responses to this RFP.

Neither the qualifying proposal that scores the highest points nor the one that contains the lowest cost will necessarily be accepted. INFC reserves the right to accept any proposal as submitted without prior negotiations.

This Request for Proposal consists of the following:
