

Date: May 28, 2024

Title: Architectural & Engineering (A&E) Services for the Relocation of the High Commission of Canada in Guyana, in Georgetown

Solicitation Number: 25-265399

The following Questions & Answers is in link with the solicitation document mentioned above.

Questions & Answers # 3

Q42. “Is it possible to postpone the submission date by one week, moving the closing date to June 7, 2024?”

A42. Please refer to addendum #2.

Q43. “We have experience with embassy-type projects, but they extend beyond the last 10 years as such projects are not very common. Is it possible to remove the condition that considers only projects completed in the last 10 years?”

A43. Please refer to A.12. Please note that an extension beyond the 10 years is already done. No further extensions will be granted.

Q44. “For M1, it states: “to provide a written statement in their bid indicating how they will provide professional services in Guyana to meet local law requirements and how their work will meet Canadian code standards.” Does this mean we need to identify the firm(s) we intend to partner with in Guyana, or do we only need to outline how we intend to provide those services?”

A44. Please identify your partners to meet this requirement. Please refer to Addendum# 2 for more details.
