Title: Architectural & Engineering (A&E) Services for the Relocation of the High Commission of Canada in Guyana, in Georgetown

Solicitation Number: 25-265399

The following Questions & Answers is in link with the solicitation document mentioned above.

Questions & Answers # 4

- Q45.** “Following addendum no.2, it is now mandatory to present the local partner in Guyana. Can the High Commission of Canada in Guyana provide a list of local architects located in Guyana?
We did communicate with a few firms, but no call return so far.
So we might be in a position where we cannot meet the mandatory requirement identified in addendum 2 if we can’t get hold of a local firm before the closing date.”
- A45.** It’s up to the bidder to identify how they will meet the requirement. No lists will be provided by DFATD.
