

Annex G Evaluated Aggregate Price
W8486 249412/A LSVW R&O Brake Shoes

Annex G – Evaluated Aggregate Price of the Bid

For Table 1 and Table 2, the sum of all firm prices per NATO Stock Number (NSN), will be multiplied by the estimated quantity to determine the evaluated price per NSN.

The sum of all evaluated price per NSN will determine the evaluated price per table.

The sum of all evaluated price per table will determine the evaluated aggregate price of the bid.

Table 1 – All level of efforts (labor) and mandatory replacement parts to bring the LSVW Brake Shoes back to a full and serviceable condition in accordance with Annex A – Statement of Work.

Nato Stock Number (NSN) NSN 2530-15-151-1484	Firm Price per Quantities	Estimated Qtys
	A	B
	\$	80 SE
Total	\$	

The Quantities are the number of items to be repaired.

NSN 2530-15-151-1484 LSVW Brake Shoes

\$A_____X B_____ = \$_____Amounts Total

\$Amounts Total = \$TOTAL

Table 2 – All level of efforts (labor) to deem equipment Beyond Economical Repair in accordance with Annex A – Statement of Work Disassembly (BER)

Nato Stock Number (NSN) NSN 2530-15-151-1484	Firm Price per Quantities Disassembled	Estimated Qtys
	A	B
	\$	8 SE
Total	\$	

The estimated quantities are the estimated number of Brake Shoes to be disassembled

NSN 2530-15-151-1484 LSVW Brake Shoes

\$A_____X B_____ = \$_____Amounts Total

\$Amounts Total = \$TOTAL

Evaluated Aggregate Price of the Bid

Evaluated Price for Table 1	\$
Evaluated Price for Table 2	\$
Total	\$

\$_____ would represent the Evaluated Aggregate Price of the Bid.
