Description:

The National Research Council Canada (NRC) is inviting consulting firms with Electrical and Mechanical Engineering expertise to submit proposals for Standing Offers. The selected consultants shall provide a range of services as identified in the Required Services (RS) section of this document for NRC engineering projects across Canada in the regions identified in Appendix G – Location Matrix.

The contract period will be for 3 years from the date of contract with an irrevocable option to extend it for up to three additional one-year periods.

This procurement includes a conditionally-reserved standing offer for an Indigenous Business. In order to be considered, a supplier must certify that it qualifies as an Indigenous business as defined in the tender documents.

There is a security requirement associated with the requirement. For additional information, consult the bid solicitation document.

Basis of selection: Highest combined technical score and price.

Tenders must be submitted to the NRC Bid Receiving Unit at: NRC.BidReceiving-ReceptiondesSoumissions.CNRC@nrc-cnrc.gc.ca

Refer to the attached tender documents to obtain further information.

Canada retains the right to negotiate with any supplier on any procurement.

Documents may be submitted in either official language of Canada.

The NRC has adopted the Integrity Regime administered by Public Services and Procurement Canada. As a result, the integrity provisions are being applied in NRC contracting activities as outlined in this solicitation.

Canada will make available Notices of Proposed Procurement (NPP), bid solicitations and related documents for download through the Government Electronic Tendering Service (GETS) at <https://canadabuys.canada.ca/en/tender-opportunities>. Canada is not responsible and will not assume any liabilities whatsoever for the information found on websites of third parties. In the event an NPP, bid solicitation or related documentation would be amended, Canada will not be sending notifications. Canada will post all amendments, including significant enquiries received and their replies, using GETS. It is the sole responsibility of the Bidder to regularly consult GETS for the most up-to-date information. Canada will not be liable for any oversight on the Bidder's part nor for notification services offered by a third party.

Indigenous Procurement:

The federal Indigenous Business Directory (IBD) is an online resource for all levels of government and the private sector to identify Indigenous business capacity. Having a business profile in the IBD will increase your company's visibility and may provide additional business. A profile in the IBD can also allow you to compete for federal government contracts that are set-aside for Indigenous businesses through the Procurement Strategy for Indigenous Businesses.
