

**Annex B – Pricing Schedule**  
**RFSO 23-58281 Respiratory Protection Program**

1. The Offeror must complete this pricing schedule.
2. The Offeror must include the individual price per task for each Region, in the appropriate “Price per task” column, for which they are submitting an offer. Failure to insert a price per task for a region will render your offer non-responsive for that region.
3. The Offeror must provide a price per task for all tasks listed under the selected region for both Fit Testing and SCBA Services.
4. The Offeror should indicate “N/A” in all price per task fields in the region(s) for which an offer(s) is (are) not being submitted.
5. The Offeror must provide a firm all-inclusive rate(s) in CAD \$ and should not include any applicable taxes.
6. The price per task must not increase by more than 2% from one time period to the next
7. The price per task for the same task during any subsequent optional period must not be lower than the price per task from the Initial Contract Period.
8. The evaluation financial score includes the initial period and all optional periods.

Offeror’s failing to provide above requirements shall be considered as failing to meet a mandatory requirement of the RFP and therefore, the Offeror’s offer shall be given no further consideration.
