The amendment to the bid solicitation is to address the enquiries received:

Response(s) (R) to Question(s) (Q)1:

Q1. 3.1 Bid Preparation Instructions requests that we submit our bid in 3 separate sections (Technical, Financial, and Certifications)

Technical and Financial are all within the "fillable" document. Are we to separate some of the information from the "main document" and submit individually?

R1. One document containing technical and financial responses, along with a second document addressing certification requirements is acceptable.

All other terms and conditions of the Bid Solicitation remain the same
