| | Question | Answer |
|-----|---|---|
| 1.1 | Are you expecting an e-learning (all asynchronous) program? | Yes. |
| 1.2 | If so, do you have a total duration (screen time) in mind? | No. |
| 1.3 | Do you have an idea of the available budget? | The RCMP is asking for bidders to propose their pricing based on the table located at Annex B. The Evaluation criteria is based on the highest combined rating of technical merit and price. We cannot offer an available budget. |
| 1.4 | We understand that we should provide the SME and the content, in that case, can we partnership with an expert or an educational organization? | Yes. SME and course content can be provided by partnership but as per the RFP the contracted company needs to meet the mandatory requirement of providing the material for at least 3 years within the last 5 years. |
