This Amendment **002** of **RFP #5000072834** is issued to:

- Respond to questions.

Question #1: We understand that the evaluation is based on the expertise for a single resource; however, a wide range of expertise is needed ranging from software development, to consultations and engagement. Is it possible to meet the criterion (R6) using a team of at least two people to meet the requirements instead of a single person?

Answer #1: Yes, more than one resource can be proposed for R6 – Stream 2.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
