Amendment 006 to this Request for Standing Offer (RFSO) is raised to respond to Bidder Questions

Bidder Question #13	<p>I have read the ToR and also the various bidding details since you issued the RFP and I still have a question about how to proceed with obtaining security clearance. I see in the annex C security requirements check list and I have carefully read various web pages related to the security policy and requirements but I cannot locate the Application for Registration (AFR) anywhere. I have found this one but I assume this is not the correct one: Request for Private Sector Organization Screening (PSOS) Demande d'enquête de sécurité sur une Organisation du Secteur Privé (ESOSP). I must admit I got lost navigating all those various requirements.</p> <p>Could you please indicate where I could find it? Your help would be most appreciated</p>
DFATD Response	<p><i>The Crown appreciates the difficulty in finding this form. It is attached separately for you to use. Please ensure if you/your firm does not currently have Government of Canada clearance, include either the Application for Registration (PSPC 471) for Canadian Offerers or the Initial International Security Screening form for Offerers outside of Canada</i></p>
