Requirement Details

Tendering Procedure: Selective Tendering

This requirement is set aside for PSIB and is open only to those SBIPS Supply Arrangement Holders (EN537-05IT01) who qualified under Tier 1 for services in the *National Capital* Region for the following domains of expertise:

- 03- Electronic Services Delivery
and/or
- 07- Legacy Support and Transition

The following SA Holders have been invited to submit a proposal:

DONNA CONNA INC., IBM CANADA LIMITED IN JOINT VENTURE

Description of Work:

The Transportation Safety Board (TSB) requires the services of the contractor to provide a solution to modernize its web infrastructure and web publishing capabilities by adopting an open-source web content management system (WCMS). The project timeline is estimated to 6-months and must be completed by March 31, 2024. The work will be carried out by the contractor at its own place of business, within Canada and in collaboration with the TSB's communications and IT groups.

- Bidders may submit a bid for one or all resource categories.
- The work is currently not being performed by a contracted resource.

Security Requirement: *NO.*
Minimum Corporate Security Required: *None Required*
