Title:
Stage 1 – West Branch Ditch Bridge Replacement – Fort Henry National Historic Site of Canada

Amendment 002

This amendment is raised to:

- A. Distribute information from the Site Visit/Bidders' Conference held June 20,2023 at noon.
- B. Answer questions from bidders

A. Site Visit Information

1. Site Visit Attendees

Vendor	Representative's Name
Dalcon Constructors/PCL Energy	Gillian Zollinger
Stan Keys	LW Bray
P.C. McNeill Contracting	Paul McNeill

Contact information for the attendees are available upon request and approval from the vendors.

B. Questions and Answers

- Q1.** Is there any mason that perform heritage work that will not get pre-qualified or is there a list of preferred masons?
- A1.** Parks Canada Agency does not have a list of preferred masons. Please submit the required information for the principal masons (up to three) that you are considering for the project.
- Q2.** Today on site we were led to believe that if any stone is required for the project there might be a delay due to availability. Is this the case and will this be an issue for the completion of the project?
- A2.** The stone supply is to be verified by bidders at tender stage 2.
- Q3.** If we were to get pre-qualified and we receive a quote from a mason that was not carried in our pre-qual, are we able to substitute or do we need submit more than 1 pre-qual form for each sub we want to get pricing from. As the tender drawings and docs will not be released until after the stage 1 portion and pricing will not be available until the stage 2 portion of the tender.
- A3.** Please submit the required information for the principal masons (up to three) that you are considering for the project. If a mason does not pass the qualification criteria for a principal mason, they cannot be used on the project in that role.

ALL OTHER TERMS & CONDITIONS REMAIN UNCHANGED.
