Description of the Requirement:

Employment and Social Development Canada (ESDC) is interested in reviewing the current (Indigenous Skills and Employment Training) ISET performance measurement approach to ensure that it effectively supports assessing and reporting out on program impacts and progress towards reducing the skills and employment gaps. This will include the identification of recommendations for analysis, measurement, future reporting, as well as data collection, as appropriate, that better identifies and communicates impacts, including the impacts of the work of the ISET Indigenous service delivery network that delivers the program to their respective First Nations, Métis, Inuit and Urban/Non-affiliated community members.
