IMPORTANT NOTICE TO BIDDERS

TWO PHASE SELECTION PROCESS

This is the first phase (Phase 1) of a two-phase competition: the first phase will evaluate the qualifications of all bidders; second phase (Phase 2) will invite the qualified bidders to provide a financial bid on the project based on the specifications and drawings. Upon award of contract in Phase Two the pre-qualification list will be terminated, no additional contracts will be awarded.

DEBRIEFING

Should a bidder desire a debriefing, the bidder should contact the person identified on the front page of the Request for Qualifications within 15 working days of the notification of the results of the solicitation. The debriefing will include an outline of the strengths and weaknesses of the submission, referring to the evaluation criteria. The confidentiality of information relating to other submissions will be protected. The debriefing may be provided in writing, by telephone or in person.

LIST OF PRE-QUALIFIED BIDDERS

A list of pre-qualified bidders from Phase 1 will not be released. Contract award notice of the successful bidder of Phase Two will be posted on buyandsell.gc.ca

INSTRUCTIONS TO BIDDERS

1. This is a two phase selection process. Bidders responding to this selection process are requested to submit a bid in two phases. Phase 1 bid covers only the qualifications and experience of the Bidder. Following the evaluation of the submissions, Bidders will be advised of their standings. Pre-Qualified Bidder(s) will advance to Phase Two. Bidders will be sent via email an Invitation to Tender (ITT) including the specification and drawings for the financial evaluation in relation to the requirement.

2. **ENQUIRIES:** All enquiries are to be submitted in writing to the Contracting Authority at DFOtenders-soumissionsMPO@dfo-mpo.gc.ca.

Enquiries are to be made in writing and should be received no less than **seven (7)** working days prior to the closing date to allow sufficient time to respond.

3. **Qualification Submittal** - Appendix 2 – Phase 1 Qualification Form must be submitted **ONLY** to the Fisheries and Oceans Canada by the date, time and place indicated on page 1 of the Request for Qualifications. Fisheries and Oceans Canada will not assume responsibility for submissions directed to any other location.

The maximum size per email (including attachments) is limited to 10MB. If the limit is exceeded, your email might not be received by Fisheries and Oceans Canada. It is suggested that you compress the email size to ensure delivery. Bidders are responsible to send their proposal and to allow enough time for Fisheries and Oceans Canada to receive the proposal by the closing period indicated in the Phase 1 – Request for Qualifications. Emails with links to bid documents will **not** be accepted.

For bids transmitted by email, Fisheries and Oceans Canada will not be responsible for any failure attributable to the transmission or receipt of the email bid.

Bids transmitted by facsimile to Fisheries and Oceans Canada will not be accepted.

4. Appendix 2 – Phase 1 Qualification Form, **front page of the Request for Qualifications** and any required associated document(s) shall be submitted by email as a pdf attachment with the following information clearly typed in the subject line:

- Phase 1 Qualification Form; and
- Solicitation Number.

Any clarifications or changes to the Phase 1 – Request for Qualifications will result in an addendum being posted on the buy and sell will be included as an amendment to the Request for Qualifications to the bid solicitation. The first page of all addendum(s) that have been duly signed/initialed verifying proof of receipt or written acknowledgement of receipt of addendum(s) should be submitted with the bid but may be submitted afterwards. If any addendum(s) are not acknowledged as requested, the Contracting Authority will inform the Bidder of a time frame within which to provide the information. Failure to provide the documentation within the time frame specified will render the bid non-responsive.

APPENDIX 1 - DESCRIPTION OF PROJECT – STATEMENT OF WORK

Background

Small Craft Harbours (SCH) Pacific Region requires the complete *Replacement an existing timber float (Float 802) with a new 12' wide timber float at the federal government owned harbour at Port Clements (Site) on Haida Gwaii Island, British Columbia.

Objective of this Work is to fabricate a new float, **Removal and disposal of the old float, and the complete installation of the new float with existing timber mooring pile in place. The existing timber mooring pile will not be replaced.

*Replacement: Removal of existing component including treated timber, hardware and fasteners and to be replaced with new component including supply and install of new hardware and treated timber, drilling, field fitting and field treating as required.

**Removal: Dismantling, demolition, handling, sorting, and hauling material away from Site.

Owner Supply

SCH will supply all timber material and hardware required for the complete float fabrication.

Summary of Work

The lump sum portion will be for the following:

- Mobilization and Demobilization
- New Timber Float Fabrication
- Removal and Disposal of Existing float 802
- New Float Install

Cost Plus portion will be for the following:

- Float Utilities remove and re-install

Site Specific Requirements:

Work must be done to minimize the period on when float 802 is out of commission to minimize the time vessels are relocated due to this project. Contractor must pre-fabricate the new floats and ready to install in place before the removal of the existing float 802. Maximum time that float 802 can be out of commission is four (4) weeks. The contractor cannot first remove the old float so that is no float while the new float is being fabricated. Contractor to provide at least two (2) weeks notification on when they want the vessels to be relocated from float 802
