### B. Questions and Answers

- Q1.** To meet the eligibility requirements for the PSIB, can Indigenous companies be brought in as a subcontractor? Appendix 3 does not say whether we're allowed to subcontract to an Indigenous company or not.
- A1.** Any required subcontractors can be brought in to complete the project, however, to meet the eligibility requirements for the PSIB, the bidder must meet Indigenous business requirements, which can include a joint venture agreement with an Indigenous business.  
Please see ISC website <https://www.sac-isc.gc.ca/eng/1100100033057/1610797769658> to learn more about eligibility requirements to register in Indigenous Business Directory (IBD).
