Questions and Answers

Question # 1:

After consulting the request for proposals, it is not clear whether you want proposals for all the services mentioned, or whether it is possible to submit a bid for one or two services only.

Answer # 1:

Most of the work performed involves translation from English to French. Less than 5% of requests involve French editing or comparative editing. Therefore, in order to submit a bid, you must be able to offer these three services: 1) English-to-French translation; 2) French editing; 3) comparative editing of a text translated from English to French.
