4. Work location

45 Boul Sacré Coeur-Gatineau, J8X 1C6

5. Travel requirements

Is there a travel requirement?

Yes

5.1 Estimated cost of travel and living expenses

\$10,000

6. Security requirement

6.1 Before award of a contract, the following conditions must be met:

- (a) the bidder must hold a valid organization security clearance as indicated in Annex C;
- (b) the bidder's proposed individuals requiring access to classified or protected information, assets or sensitive work sites must meet the security requirements as indicated in Annex C;
- (c) the bidder must provide the name of all individuals who will require access to classified or protected information, assets or sensitive work sites;
- (d) the bidder's proposed location of work performance and document safeguarding must meet the security requirements as indicated in Annex C, if a document safeguarding requirement is indicated;
- (e) the bidder must provide the addresses of proposed sites or premises of work performance and document safeguarding, if a document safeguarding requirement is indicated;

6.2 Bidders are reminded to obtain the required security clearance promptly. Any delay in the award of a contract to allow the successful bidder to obtain the required clearance will be at the entire discretion of the contracting authority.

6.3 For additional information on security requirements, bidders should refer to the [Contract Security Program](#).

7. Use of individual protective equipment and Occupational Health and Safety (OHS) guideline(s)

7.1 The following individual protective piece(s) of equipment is/are required while working on site:

- Face covering mask

It is the Bidder's responsibility to include the cost associated with the provision of personal protective equipment for its resources in their all-inclusive hourly rates for the duration of the contract.

PART C: Basis of selection

1. Basis of selection method

Lowest price responsive

To be declared responsive, a bid must:

- i. comply with all the requirements of the RFP,
- ii. meet all minimum mandatory criteria for the THS category identified in Part B; and,
- iii. meet all additional mandatory criteria included below, if any are identified

Bids not meeting (i) or (ii) or (iii) will be declared non-responsive. [Minimum mandatory criteria](#) for THS categories can be found on the [THS for the NCR website](#).

The bidder must clearly demonstrate how they meet each mandatory criteria. Bidders are advised that only listing experience without providing any supporting information or reusing the same wording as the RFP, will not be considered “demonstrated” for the purpose of this evaluation.

For each resume submitted, the bidder must ensure that:

- the proposed individual's name is clearly indicated
- the resume clearly states where, when and how the stated qualifications/experience of the individual were acquired, including contact information of a reference that can confirm the information provided
- the resume clearly demonstrates duties and relevance to the requirements

Furthermore, bidders are also advised that the month(s) of experience listed for a project whose timeframe overlaps that of another referenced project, will only be counted once.

The responsive bid with the lowest total evaluated price will be selected for award of a contract.

Additional mandatory criteria:

Number	Additional mandatory criteria	Cross reference to proposal <i>[bidder to insert]</i>
M1	Must have a College Diploma in Photography and/or Videography, or military qualifications of an Imagery Technician.	<i>bidder to insert</i>
M2	Must have completed formal training on Adobe Creative Suite software (LightRoom, Photoshop, Premiere, Audition)	<i>bidder to insert</i>
M3	Must be able to perform Imagery postproduction with PC and Mac operating systems.	<i>bidder to insert</i>
M4	Must clearly demonstrate a minimum of 4 years of experience within the past 8 years at capturing still and/or video imagery;	<i>bidder to insert</i>
M5	Must clearly demonstrate a minimum of 4 years of experience within the past 8 years at performing postproduction of still and/or video imagery.	<i>bidder to insert</i>

2. In the case of an identical resource or identical resources proposed by more than one bidder

Following validation of the consent or proof of employment, if the successful bidder's proposed resource withdraws or becomes unable to provide the services before the contract award, the resource will no longer be considered from any other bidder who offered that same resource for the performance of the contract.

3. Replacement of a resource prior to contract award

If the successful bidder's proposed resource recommended for the contract award withdraws and/or becomes unable to provide its services for the performance of the contract, at any time between the closing date and time of the RFP and the award of the contract, the bidder must immediately inform the contracting authority of the reason for the replacement.

The bidder must propose, at the same hourly rate indicated in its bid, one replacement who must meet all of the mandatory requirements contained in the RFP and, if applicable, obtains an equal or higher score obtained by the originally proposed resource on the point rated criteria of the RFP. Upon request by the contracting authority and within the time allowed (minimum of one business day), the bidder must provide the necessary information to allow assessment of the replacement, including but not limited to, its name, qualifications and experience. Failure to respond to the request will result in the bid being declared non-responsive.

4. Bid challenge and recourse mechanisms

Several mechanisms are available to potential suppliers to challenge aspects of the procurement process up to and including contract award.

Canada encourages suppliers to first bring their concerns to the attention of the Contracting Authority. Canada's [Buy and Sell](#) website, under the heading "[Bid Challenge and Recourse Mechanisms](#)" contains information on potential complaint bodies such as:

- Office of the Procurement Ombudsman (OPO)
- Canadian International Trade Tribunal (CITT)

Bidders should note that there are **strict deadlines** for filing complaints, and the time periods vary depending on the complaint body in question. Bidders should therefore act quickly when they want to challenge any aspect of the procurement process.

PART D: Resulting contract clauses

The following clauses and conditions apply to and form part of any contract resulting from the bid solicitation.

1.0 Statement of work

The contractor must perform the work in accordance with the Statement of work at Annex A.

2.0 Standard clauses and conditions

All clauses and conditions identified in the contract by number, date and title are set out in the [Standard Acquisition Clauses and Conditions](#) Manual issued by Public Services and Procurement Canada (PSPC).

2.1 General conditions

[2010B \(2022-12-01\) General conditions: Professional services \(medium complexity\)](#) apply to and form part of the contract.

3.0 THS resulting contract clauses

The resulting contract clauses enumerated in the contractor's THS for the NCR [supply arrangement](#) apply to and form part of the contract.

4.0 Security requirement

Security requirement for Canadian supplier: Public Works and Government Services Canada (PWGSC) file S4625625 Common-professional services security requirement check list #6

1. The contractor/offeror must, at all times during the performance of the contract/standing offer, hold a valid designated organization screening (DOS), issued by the Contract Security Program (CSP), Public Works and Government Services Canada (PWGSC)
2. The contractor/offeror personnel requiring access to **protected** information, assets or sensitive work site(s) must **each** hold a valid **reliability status**, granted or approved by the CSP, PWGSC
3. The contractor/offeror **must not** remove any **protected** information or assets from the identified work site(s), and the contractor/offeror must ensure that its personnel are made aware of and comply with this restriction
4. Subcontracts which contain security requirements are **not** to be awarded without the prior written permission of the CSP, PWGSC
5. The contractor/offeror must comply with the provisions of the:
 - a. Security Requirements Check List and security guide (if applicable), attached at Annex C
 - b. Contract Security Manual (latest edition)

4.1 Use of individual protective equipment and Occupational Health and Safety (OHS) guideline(s)

The Contractor warrants that its resources will follow at all times the OHS guidelines in force in the workplace during the contract period. Canada reserves the right to modify the OHS guideline, if required, to include any future recommendations proposed by the Public Health Agencies.

5.0 Term of contract

5.1 Period of contract

[To be inserted at contract award]

5.2 Maximum duration of contracts

A contract awarded under the THS for the NCR supply arrangement must not exceed 48 consecutive weeks including all absences.

On an exceptional basis only, a contract may be amended to extend the duration of an assignment period up to a maximum of 24 consecutive weeks beyond the limit of 48 consecutive weeks (example total extended duration must not exceed 72 consecutive weeks) on the condition that the following requirements are met:

- i. the duration of the assignment period, including any contract amendments that impact the assignment period, must be more than 40 consecutive weeks;
- ii. the amendment to extend the duration of the assignment period must be issued after the first 40 consecutive weeks of the assignment period; and
- iii. the contracting authority must notify THS for the NCR of the issued amendment by email within 2 business days of issuing the amendment.

The contractor agrees that, during the extended periods of the contract, it will be paid in accordance with the applicable provisions as set out in Annex B: Basis of payment.

6.0 Authorities

6.1 Contracting authority

The contracting authority for the contract is:

[To be inserted at contract award]

The contracting authority is responsible for the management of the contract and any changes to the contract must be authorized in writing by the contracting authority. The contractor must not perform work in excess of or outside the scope of the contract based on verbal or written requests or instructions from anybody other than the contracting authority.

6.2 Technical authority

The technical authority for the contract is:

[To be inserted at contract award]

The technical authority is the representative of the department or agency for whom the work is being carried out under the contract and is responsible for all matters concerning the technical content of the work under the contract. Technical matters may be discussed with the technical authority; however, the technical authority has no authority to authorize changes to the scope of the work. Changes to the scope of the work can only be made through a contract amendment issued by the contracting authority.

6.3 Contractor's representative

[To be inserted at contract award]

7.0 Proactive disclosure of contracts with former public servants

By providing information on its status, with respect to being a former public servant in receipt of [Public Service Superannuation Act](#) (PSSA) pension, the contractor has agreed that this information will be

reported on departmental websites as part of the published proactive disclosure reports, in accordance with [Contracting Policy Notice: 2019-01](#) of the Treasury Board Secretariat of Canada.

8.0 Payment

8.1 Basis of payment

The contractor will be paid for the actual hours worked at the firm hourly rates in Annex B: Basis of payment. The contractor will be paid an initial half hour minimum charge calculated from the time the contractor's employee arrives on-site. Customs duties are included and applicable taxes are extra.

8.1.1 Travel and living expenses

The Contractor will be reimbursed for the authorized travel and living expenses reasonably and properly incurred in the performance of the Work, at cost, in accordance with Contract Cost Principles 1031-2, with no allowance for profit and/or administrative overhead. All payments are subject to government audit.

Canada will not accept any travel and living expenses incurred by the contractor in the performance of the work, for:

- (i) services provided within the National Capital Region (NCR). The National Capital Region (NCR) is defined in the *National Capital Act (Revised Statutes of Canada)*, 1985, c.N-4, S.2. The *National Capital Act* is available on the Justice website: <https://laws.justice.gc.ca/eng/acts/N-4/>
- (ii) any travel between the contractor's place of business and the NCR.

8.2 Method of payment

Canada will pay the contractor on a monthly basis for work performed during the month covered by the invoice in accordance with the payment provisions of the contract if:

- an accurate and complete invoice and any other documents required by the contract have been submitted in accordance with the invoicing instructions provided at 8.2.1 below;
- all such documents have been verified by Canada;
- the work performed has been accepted by Canada.

8.2.1 Invoices

The original and one (1) copy must be forwarded to the following address for certification and payment:

[To be inserted at contract award]

9.0 Certifications compliance

Unless specified otherwise, the continuous compliance with the certifications provided by the contractor in its bid or precedent to contract award, and the ongoing cooperation in providing additional information are conditions of the contract and failure to comply will constitute the contractor in default. Certifications are subject to verification by Canada during the entire period of the contract.

9.1 Compliance with on-site measures, standing orders, policies, and rules

The contractor must comply and ensure that its employees and subcontractors comply with all security measures, standing orders, policies or other rules in force at the site where the work is performed.

10.0 Applicable laws

The contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario. *[May be revised by contractor before contract award]*

11.0 Priority of documents

If there is a discrepancy between the wording of any documents that appear on the list, the wording of the document that first appears on the list has priority over the wording of any document that subsequently appears on the list.

1. The Articles of Agreement
2. the THS for the NCR supply arrangement (SA) [resulting contract clauses](#)
3. [2010B \(2022-12-01\) General conditions: Professional services \(medium complexity\)](#)
4. Annex A: Statement of work
5. Annex B: Basis of payment
6. the Security requirements check list at Annex C (if applicable)
7. the contractor's bid dated _____ *[To be inserted at contract award]*

12.0 Discretionary audit - non-commercial goods and/or services

The estimated amount of profit included in the contractor's price or rate certification is subject to audit by Canada, before or after payment is made to the contractor under the conditions of the contract. The purpose of the audit would be to determine whether the actual profit earned on a single contract if only one exists, or the aggregate of actual profit earned by the contractor on a series of negotiated firm price and fixed-time rate contracts performed during a particular period selected, is reasonable and justifiable based on the estimated amount of profit included in earlier price or rate certification(s).

If the audit demonstrates that the actual profit is not reasonable and justifiable, as defined above, the contractor must repay Canada the amount found to be in excess.

13.0 Foreign nationals (Canadian contractor)

The contractor must comply with Canadian immigration requirements applicable to foreign nationals entering Canada to work temporarily in fulfillment of the contract. If the contractor wishes to hire a foreign national to work in Canada to fulfill the Contract, the contractor should immediately contact the nearest Service Canada regional office to enquire about Citizenship and Immigration Canada's requirements to issue a temporary work permit to a foreign national. The contractor is responsible for all costs incurred as a result of non-compliance with immigration requirements.

14.0 Dispute resolution

- (a) The parties agree to maintain open and honest communication about the work throughout and after the performance of the contract.
- (b) The parties agree to consult and co-operate with each other in the furtherance of the contract and promptly notify the other party or parties and attempt to resolve problems or differences that may arise.
- (c) If the parties cannot resolve a dispute through consultation and cooperation, the parties agree to consult a neutral third party offering alternative dispute resolution services to attempt to address the dispute.
- (d) Options of alternative dispute resolution services can be found on Canada's Buy and Sell website under the heading "[Dispute Resolution](#)".

15.0 Insurance

The contractor is responsible for deciding if insurance coverage is necessary to fulfill its obligation under the contract and to ensure compliance with any applicable law. Any insurance acquired or maintained by the contractor is at its own expense and for its own benefit and protection. It does not release the contractor from or reduce its liability under the contract.

16.0 Defence Production Act

SACC Manual clause A9006C (2012-07-16) Defence Contract

Sub-total:						\$
Applicable taxes:						\$
Total bid price:						\$

*The hourly rate for the proposed resource must remain the same in the event that the bidder submits more than 1 resume for a specific category.

Certifications precedent to contract award

The certifications set out below are to be completed and submitted with the bid but may be submitted afterwards. If any of these required certifications is not completed and submitted as requested, the contracting authority will so inform the bidder and provide the bidder with a time frame within which to meet the requirement.

Compliance with the certifications bidders provide to Canada is subject to verification by Canada during the bid evaluation period (before award of a contract) and after contract award. The contracting authority will have the right to ask for additional information to verify bidders' compliance with the certifications before award of a contract. The bid will be declared non-responsive if any certification made by the bidder is untrue, whether made knowingly or unknowingly. Failure to comply with the certifications or to comply with the request of the contracting authority for additional information will also render the bid non-responsive.

a) Integrity Provisions – required documentation

By submitting a bid, the bidder certifies that the bidder and its Affiliates are in compliance with the provisions as stated in [Section 01 Integrity Provisions – Bid of Standard Instructions – Foods or Services – Competitive Requirements](#). The associated information required within the Integrity Provisions will assist Canada in confirming that the certifications are true.

Pursuant to section 01 of Standard Instructions 2003, bidders who are incorporated or a sole proprietorship, including those bidding as a joint venture, must submit a complete list of names of all individuals who are currently directors of the bidder, or the name of the owner, as applicable. Bidders bidding as societies, firms or partnerships do not need to provide a list of names. Furthermore, as determined by the Special Investigations Directorate, Departmental Oversight Branch, each individual named on the list may be requested to complete Consent to a Criminal Record Verification form and provide associated information. Consult sections [4.21. Integrity Provisions](#), [5.16. Integrity Compliant](#), and [8.70.2. Compliance with the Integrity Provisions](#) of the Supply Manual.

b) Federal Contractors Program for Employment Equity - bid certification

By submitting a bid, the bidder certifies that the bidder, and any of the bidder's members if the bidder is a joint venture, is not named on the Federal Contractors Program (FCP) for employment equity "FCP Limited Eligibility to Bid" list available at the bottom of the page of the [Employment and Social Development Canada \(ESDC\) - Labour's](#) website.

Canada will have the right to declare a bid non-responsive if the bidder, or any member of the bidder if the bidder is a joint venture, appears on the "FCP Limited Eligibility to Bid list at the time of contract award.

c) Price certification

The bidder must provide, on Canada's request, one or more of the following price support, if applicable:

- a. a current published price list indicating the percentage discount available to Canada; or
- b. copies of paid invoices for the like quality and quantity of the goods, services or both sold to other customers; or
- c. a price breakdown showing the cost of direct labour, direct materials, purchased items, engineering and plant overheads, general and administrative overhead, transportation, etc., and profit; or
- d. price or rate certifications; or
- e. any other supporting documentation as requested by Canada.

d) Consent and replacement of resource

The bidder must provide a written/electronic consent signed by the proposed resource or resources before the closing date and time of this RFP. In cases where the proposed resource is a full time employee of the bidder, a proof of employment signed by an authorized representative of the bidder, such as Chief Financial Officer or Human Resource Director must be provided.

To be considered valid, the written/electronic consent or proof of employment must have been obtained/signed during the solicitation period and reference the solicitation number. It must also include a statement confirming the availability of the resource for the performance of the contract during the period mentioned in the RFP. Failure to provide the proper documentation will result in the bid being declared non-responsive.

By providing either a written/electronic consent or proof of employment, the bidder certifies that the information included on the consent or proof of employment for the proposed resource, for this requirement, is true and accurate.

e) Former public servants (FPS) in receipt of a pension

As per the definition provided under SACC Manual clause [A3025T -Former Public Servant - Competitive](#) (2020-05-04) is the bidder a FPS in receipt of a pension?

Yes () No ()

If so, the bidder must provide the following information, for all FPSs in receipt of a pension, as applicable:

- a. the name of former public servant
- b. the date of termination of employment or retirement from the Public Service

By providing this information, bidders agree that the successful bidder's status, with respect to being a former public servant in receipt of a pension, will be reported on departmental websites as part of the published proactive disclosure reports in accordance with [Contracting Policy Notice: 2019-01 of the Treasury Board Secretariat of Canada](#) and the [Guidelines on the Proactive Disclosure of Contracts](#).

f) Work force adjustment directive

Is the bidder a FPS who received a lump sum payment pursuant to the terms of the [Work Force Adjustment Directive](#)?

Yes () No ()

If so, the bidder must provide the following information:

- a. the name of former public servant
- b. the conditions of the lump sum payment incentive
- c. the date of termination of employment
- d. the amount of lump sum payment
- e. the rate of pay on which lump sum payment is based
- f. the period of lump sum payment including start date, end date and number of weeks
- g. the number and amount (professional fees) of other contracts subject to the restrictions of a work force adjustment program

By submitting a bid, the bidder confirms they understand and acknowledge the above terms and conditions.
