Response(s) (R) to Question(s) (Q):

Q1: Please advise what the client means by "elevated" lockers, are these to be on feet?

R1: Elevated lockers means two high, up to 51" in height. They can be on feet or without feet as long as they can be leveled.

Q2: Please advise what the client means by "Full Left Swing Doors"? As these are two sections is each section to have its own door and e-lock or just one full-length door over both sections?

R2: Full left swing doors means to have the door swing on the left, these would need to be two separate doors.
