**AMENDMENT 001 is hereby issued to amend the RFP with the following items:**

Respond to Questions 1-2;

**Q1:** As per the SA specifications:

1. Do the tables need to meet minimum height adjustability range of 23-48.7"
2. Do you require the flexible vertical wire managers?
3. Do you require grommets in the worksurface?
4. Do you require High Pressure laminate worksurfaces?

**A1:** Yes, the Height Adjustable Work surfaces need to meet all specifications from *Annex A-1: Specifications for Workspaces (SA)* which include the features, but not limited to, listed in your question.

**Q2:** The additional information is requesting C-legs for these adjustable bases. If all other criteria is met (ANSI/BIFMA, height adjusting ranges of 22 3/5" to 48 7/10", base supporting different widths between 48" and 72" inched), would the client also accept T-legs for these bases?

**A2:** OSFI is keeping the C-Leg requirement. OSFI's intent is to be able to slide a mobile pedestal above the leg.

**All other terms and conditions remain unchanged.**
